1. About BVRIT Hyderabad

About BVRIT Hyderabad

About BVRITH – BVRIT HYDERABAD College of Engineering for Women

Where Women Thrive
and Break Barriers.

"A dream doesn't become reality through magic;
it takes sweat, determination and hard work."

BVRIT HYDERABAD College of Engineering for Women (BVRITH), the youngest offspring of Sri Vishnu Educational Society (SVES) founded by Chairman Sri K V Vishnu Raju in 2012.

BVRIT HYDERABAD College of Engineering for Women (Autonomous) was established in the year of 2012 with the clear Vision & Mission to empower the women to aspire for a better career. College was accredited by NAAC with Grade 'A' in the year 2020 and granted UGC autonomous status from AY 2023-24 for a period of 10 Years. The Institute is duly approved by All India Council for Technical Education, Government of Telangana and is affiliated to Jawaharlal Nehru Technological University Hyderabad. UG Programs – B.Tech. (EEE, ECE, CSE) were accredited by NBA. College offers 4 UG Programs in B.Tech. EEE, ECE, CSE and CSE (AI&ML) with an intake of 660 and 3 PG Programs in M.Tech (Data Sciences) with an intake of 18, M.Tech (VLSI Design) with an intake of 12 and M.Tech (CSE) with an intake of 12.

In spite of being a new college, by following different unique practices the college became one of the first choices among all affiliated colleges under JNTUH for the aspiring students who want to elevate their talent more than the academics.

Abode to wisdom

Ranked recognized by AICTE for its Best Practices

All 4 branches (CSE, ECE, IT & EEE) are NBA accredited in 2018 and Accredited by NAAC with grade 'A' (CGPA 3.23) in 2020

ranked by NIRF from three consecutive Years 2019, 2020 and 2021

ranked by ARIIA-2020 in Band B (26th to 50th)

National Level Recognitions

IMC Ramakrishna Bajaj National Quality Award under Education Category

Deewang Mehtha Education Leadership Award by IPE

Learning Innovation Award" by TalentSprint

Top 20 Performing Colleges" by IBM for TGMC

Best Emerging College in Telangana 2018" by Stumag

entered into Asia Book of Records for an attempt of "largest Mental Health Peer Counseling for Women" on 7th March 2018.

first college to initiate Mentorship programs in Top most MNCs like Microsoft, Amazon, QualComm etc

received Two JNTUH University Gold Medals for consecutive two years, out of three batches Graduated so far.

Excellent Placement Records. Highest Package being offered in Amazon with 29.9 Lakh

The college encourages and supports the students to participate in national and international level events like “World Skill Competition”, “Foss Asia”, Google Summer of Code, GHCI and many more which provides them a different career exposure.

When the whole society is focusing on diversity in every field then BVRITH is like a stone on the pillar to motivate and groom those aspiring women who want to make a mark in the society.

As a whole, BVRIT Hyderabad is a family of aspiring students, supportive parents, committed faculty and visionary management who all are working together to make a difference in education field.

At BVRITH, we strive to

Achieve academic excellence through innovative learning practices.

Enhance intellectual ability and technical competency for a successful career.

Nurture students towards holistic development with emphasis on leadership skills. life skills and human values.

Our Core Values

Holistic development

BVRIT HYDERABAD believes in holistic development of the student instead of just focusing on Academic excellence. Students are given opportunity to participate in sports, social service and cultural activities through various clubs (art, music etc). They are also encouraged to be part of internship and mentorships with industry to get real life exposure

Excellence in Education

Institute always strives to excel in educational practices and implemented several forward thinking procedures. Faculty members are trained in scientific educational practices and Students undergo learning experience through motivational and intellectual learning models. This student-centric approach results in excellent outcome

The institute is established with the belief in the adage “Educate a woman and you educate a Family”. The Institute strives to provide the best in education, wide exposure to industry environment, moral support and mentoring to create future women leaders. The Institute always pursues ethical practices, sticks to the law of the land and is always fair to Staff, Students and other stakeholders.

Social responsibility

The institute not only embraces the cause of women empowerment but also

contributes to immediate neighborhood through various means and activities

Accountability and Transparency

Transparency is maintained across all levels of organisation in all activities. Everyone is encouraged to understand their responsibilities to ensure overall growth and

Freedom of Expression

Everyone is encouraged to express their opinions and suggestions openly without any

About Society – SVES

Sri Vishnu Educational Society – BVRIT HYDERABAD College of Engineering for Women

Sri Vishnu Educational Society

Shaping the future of education with passion and purpose.

The Evolution of BVRITH

The society aims and strives for continuous improvement in field of education and is committed to delivering world class education in various fields to students from different stream.

Our founder chairman

Late Padma Bhushan Dr. B.V. Raju

, through his excellent vision and foresight established many educational institutions. These institutions are playing a vital role in moulding and shaping the future of thousands of students year after year. In addition, many organizations with a motive to serve society were also started. On one hand, he started the construction business involving supply of raw material and on the other hand he started society development programmes. To give shape to his ideas, he started the Dr. B.V. Raju Foundation to help the needy people. Dr.B.V. Raju Foundation has also distributed house sites to poor people.

Dr. B.V. Raju Foundation and Sri Vishnu Educational Society have constructed two high schools, three elementary schools, four mahila mandals, one kalyanamandapam and veterinary hospitals in several villages without any monetary help from the government or private sources.

BVRIT HYDERABAD is the youngest Engineering college established under Sri Vishnu Educational Society (SVES) with the intention to promote the girls Engineering education in the state of Telangana.

3. Management & Leadership

Management

Management – BVRIT HYDERABAD College of Engineering for Women

Inspiring excellence

Foundation of Education

Late. Padma Bhushan Dr. B.V. Raju, the founder chairman of Dr. B.V. Raju Foundation and Dr. B.V. Raju Institute and Technologies, is a prodigy of industrial discipline, unusual perception, scholarship, workmanship and creativity. He is a man of vision, inspiration, confidence, diligence and above all humanity.

Late Dr. B. V. Raju (Founder Chairman)

Dr. B.V. Raju had a normal childhood like any other child of his age, with joys and sorrows in equal share.

He grew up to be a man who accepted his success humbly and learnt from his failures. Though he started his career as a low grade employee in the cement industry, his sincerity and hard work elevated him to the position of Managing Director and Chairman of Cement Corporation of India. Within a span of six decades, he established a number of factories under the Raasi Group of Industries, which included Sri Vishnu Cements Ltd., Raasi Refractories Ltd., Raasi Ceramics Ltd., and Raasi Finance and Investments Ltd., His achievements in the field won him the Padma Bhushan, one of the most prestigious awards by the Govt. of India. He was also awarded Honorary Doctorate by JNTU, Hyderabad.

Being an earnest scholarly man, he knew the value of education and so he diverted his focus from industrial field to the vast field of education to set up a series of colleges under Dr. B.V. Raju Foundation and Sri Vishnu Educational Society.

Two campuses have been established, one at Narsapur in Medak Dist., where an Engineering college has been set up under the name of Dr. B.V. Raju Institute of Technology, and the other campus at Bhimavaram town which includes, Smt. B.Seetha Polytechnic, Shri Vishnu College of Pharmacy, Padma Bhushan Dr. B.V. Raju Institute of Computer Education, Sri Vishnu Engineering College for Women, Vishnu Dental College and Vishnu Public School. There is also a proposal to establish a Medical College. These institutes work to inculcate a sense of value in the minds of students and to equip them to serve the society as well. The University and State ranks achieved by the students are themselves a mark of academic excellence and quality education provided in these colleges by qualified, experienced and dedicated staff.

Throughout his life, both as an industrialist and an educationalist, Padma Bhushan Dr. B.V. Raju continued to devote himself to the service of the people. He always kept his doors open to the poor and the needy and participated actively in welfare programmes for improving the socio-economic conditions of the society. His services for the welfare of the people are innumerable and invaluable.

Padma Bhushan Dr. B.V. Raju lived an exemplary life. It teaches us that the well-to-do have a responsibility towards the less fortunate. Though we may not be in a position to help everybody, we can at least start by helping a few, because it is the motto of service in us that is important. His message is simple and straight.

Sri K. V. Vishnu Raju

An Industrialist, Educationist and Social Entrepreneur, Sri K V Vishnu Raju took over the reigns of Sri Vishnu Educational Society (SVES) after the sad demise of Founder Chairman Padma Bhushan Dr B V Raju in 2002. He brought in a global outlook, strategic vision and passion for social enterprise and institution-building as Chairman of Sri Vishnu Educational Society.

As an alumnus of REC (Trichi) & Michigan Technological University (USA), and a brief stint as Chemical Engineer at DuPont DE Nemours Wilmington, Delaware, USA facilitated him to manage and challenge the phenomenal technological growth, face the expectations and complexities in a fast evolving market place.

His hands-on leadership steered SVES into one of the pioneers of internationally acceptable engineering, medical and professional (Pharmacy, Business Management, etc) & K-12 education.

He is the vanguard in building an organization that was deeply committed to Values, with the firm belief that success would be its inevitable, eventual outcome.

Sri Ravichandran Rajagopal

Vice Chairman of Sri Vishnu Educational Society, is a graduate in Mechanical Engineering from National Institute of Technology, Tiruchirapalli, and a postgraduate in Management from Indian Institute of Management, Calcutta. Ravichandran started his professional career with the Swiss multinational company Novartis, India where he served in various capacities including Business Development, New Product and Application development, and Vendor Development.

Sri Aditya Vissam

Aditya Vissam is the Secretary of the Sri Vishnu Educational Society, and is the youngest member of the management team. He graduated as an Industrial engineer from the Penn State University, USA and did his Management studies, an MBA from Imperial College, London. Aditya comes with rich experience in companies both in US and UK. He worked in Office Depot, Minneapolis and post his MBA he did a stint as Operations Manager at Amazon, London. Aditya comes with deep insights into quality education in the areas of future skills required to be embedded in the courses offered by our autonomous colleges across Sri Vishnu institutions, and industry relevant knowledge to drive disruptions in higher education. He is in close coordination with the Vishnu Educational Development and Innovation Centre (VEDIC) at Hyderabad, a campus dedicated to innovations in teaching pedagogy, learning styles and continuous assessment methods for active learning of students.

Sri K Sai Sumant

Principal

Principal – BVRIT HYDERABAD College of Engineering for Women

Shaping the future of education with passion and purpose.

From Principal's Desk

We constantly strive to provide the best of the faculty members and the State-of-art facilities. The students are encouraged and supported not only to excel in academics, but also to develop a wholesome personality through co-curricular, extra-curricular activities and other extension activities. We create an environment of academic freedom, where bright minds meet, discover and learn. One can experience the Top of the World living and learning experience at BVRITH!

Dr. K. V. N. Sunitha

Dr. K. V. N. Sunitha

completed her B.Tech. in ECE from ANU, M.Tech. in CS from REC Warangal in 1993 and Ph.D in CSE from JNTU Hyderabad in 2006. She has

30+ years of Teaching Experience

. She is working as a Founder Principal, BVRIT Hyderabad College of Engineering for Women, Hyderabad since August 2012. She received

Academic Excellence Award

by G. Narayanamma Institute of Technology & Science in 2005,

Best computer Science Engineering Teacher award for the year 2007

by ISTE in 2008,

Distinguished Principal Award

by CSI Mumbai in 2017 @ IIT Bombay, Received Deewang Mehtha

Women in Education Award

in 2017. She was felicitated for

outstanding contribution & achievements in the field of Engineering

in Women Engineers Meet 29

Indian Engineering Congress, IEI held at Visveswaraiah Bhavan, Hyderabad on 18

Dec 2014. She received “

Engineer of the year 2019 Award

” by IEI, Telangana in 2019. She received “

” –National Award for life time achievement for the year 2019 by Indian servers in association with AP & Telangana IT Association, in 2019. Received “

Best Engineering College Principal in Telangana State Award

for the year 2019" by Indian Society for Technical Education (ISTE) in 2019. She has guided 20 Ph.D scholars. She authored 5 text books, published more than 185 papers. & 7 patents.

Visit Personal website

Excellence at BVRITH

Excellence is the hallmark of Sri Vishnu educational Society. Excellence, which will deliver professional manpower to the industry and the nation at large. We at BVRITH are producing engineers who will create a New world!

ENGINEER OF THE YEAR AWARD

on the occasion of 50

Engineers day in commemoration of 159

Birthday celebration of "Bharat Ratna Sir Mokshagundam Visweswarayya" on 15

She has been recognized & invited by AICTE as NBA Expert Evaluator. She has authored five text books,

"Programming in UNIX and Compiler design"

by BS Publications in 2008,

" Automata Theory "

by Tata McGrawHill in 2010,

" Theory of Computation"

by TMH in 2011 ,

"Compiler Construction"

, Pearson India Ltd in July 2013,

"Formal Languages and Automata Theory"

by Pearson India Ltd in 2015 & a Chapter on

"Telugu Speech Corrector "

in the book under NOVA Science publishers, USA. She was the editorial board member for prestigious international conferences –ICMEET 2017 and ICICCT 2019, INDIA 2022.

With in no time, under her leadership, BVRIT HYDERABAD College of Engineering for Women received many awards and rewards like 147 Rank in NIRF 2019, NBA

Accreditation for 3 years, Asia Book of Records for "largest mental health and peer counseling for women " and many more.

CSE Department

About the Department – BVRIT HYDERABAD College of Engineering for Women

COMPUTER SCIENCE AND ENGINEERING

About the Department

“People think that computer science is the art of geniuses, but the actual reality is the opposite, just many people doing things that build on each other, like a wall of mini stones” - Donald Knuth

The Department of Computer Science & Engineering (CSE)

was established in 2012 with the vision of making it as a Centre of Excellence.

All disciplines of Science and Engineering now rely heavily on the power of computing and on skilled computer professionals. Computer Science & Engineering specialists are at the forefront of scientific and technological advancements. Keeping this demand in view, the Computer Science and Engineering Department's goal is dedicated to create Women Technological Leaders of Tomorrow. It moulds students into individual with strong problem solving and critical thinking skills to create innovative solutions for new challenges in science and technology.

The department offers exciting opportunities for students to expand their intellectual horizons through guest lectures, technical seminars from eminent industries and academia personalities and keeps abuzz with activities to develop their technical skills through various clubs driven by active student participation throughout the year. These clubs include ACM Student Chapter, CSI Student Branch, Department Technical Association- TechBlitz, and coding platforms e-Lab, HackersBay, CodeChef, Hackerrank etc.

Industry oriented and value-added courses like Women In Software Engineering (WISE), Assistive Technologies Lab (ATL), Internet of Things (IoT), ServiceNow, Qualcomm, NASSCOM Future Skills, GCC, ACM, Business English Certification, German language Certification etc. are bestowed on par with the curriculum. In addition, many extracurricular activities are encouraged to showcase their skills. Students are fortunate to have mentor ship with topmost MNCs like Microsoft, Flipkart, Amazon, and Qualcomm, etc.

The department is always on its toes to provide an excellent platform through Mentorship, Internship, hobby projects, workshops, industrial visits for the passionate students to inculcate the zeal to learn new things and do something beyond their academics. These platforms drive students towards industry-oriented thinking, that helps them to participate in paper presentations, mini project exhibitions, Hackathons like Smart India, FLiPR, Codevita, HackWithInfy, etc.

Graduates from the CSE department are heavily recruited by many top companies like Microsoft, Amazon, Flipkart, MuSigma, Xerox, Adobe & SAP labs etc. Pursuing higher studies from reputed universities like University of Texas Austin, Purdue, University of Utah etc.

Students are participating in various all India level competitions speak about the vision and strength of the Department.

Faculty and students are encouraged to do certifications offered by NPTEL – SWAYAM, Oracle Certified Java Profession (OCJP), ServiceNow, Coursera, edX, Udemy, NASSCOM etc, to move the needle on upgrading the proficiency and skill set in the interested areas.

The Department has vibrant Alumni working in top notch giants in software industry like Microsoft, Google, Amazon, Flipkart, Salesforce, HP etc.

Since the industry keeps evolving with new technologies, we ensure to keep up with the outside corporate world and impart knowledge amongst our beloved future technocrats!

Undergraduate programmes offered

IN COMPUTER SCIENCE AND ENGINEERING (CSE)

Computer Science and Engineering comprises scientific and engineering aspects of computing and study of the theory, design, implementation, and performance of computer software and computer systems, including the study of computer-based devices.

Few courses offered under the Computer Science and Engineering are as follows:

Artificial Intelligence

Software Engineering

Information Theory & Coding

Advanced Computer Architecture

Natural Language Processing, etc.

To impart quality education in Computer Science and Engineering by means of learning techniques and value-added courses.

To build leadership skills, ethical values and teamwork among the students.

To strengthen the collaboration of department and industry through internships, mentorships and professional body activities.

Program Outcomes (POs)

Program Educational Objectives (PEOs)

PEO 1: Develop innovative computing products by utilizing strong technical proficiency and critical thinking.

PEO 3: Adapt the emerging technologies to contribute technical innovations for progressive development

PEO 4: Demonstrate professionalism, ethical attitude, teamwork and leadership skills with lifelong learning in the career

Program Specific Outcomes (PSOs)

The graduates of this program will be able to:

PSO 1: Ability to apply learned skills to build optimized solutions pertaining to Computer & Communication Systems, Data Processing and Artificial Intelligence.

PSO 2: Employ standard strategies and practices in project development using FOSS (Free Open Source Software).

CSE (AI&ML) Department

About the Department – BVRIT HYDERABAD College of Engineering for Women

CSE - ARTIFICIAL INTELLIGENCE & MACHINE LEARNING

About the Department

Artificial Intelligence and Machine Learning course aims to develop a strong foundation by using the principles and technologies that consist of many facets of Artificial Intelligence including logic, knowledge representation, probabilistic models, and machine learning. This course is best suited for students seeking to build world-class expertise in Artificial Intelligence and Machine Learning and emerging technologies which help to stand in the crowd and grow careers in the upcoming technological era.

Highlights of AIML

Department offers best teaching & learning practices in Artificial Intelligence and Machine Learning program.

Builds a solid foundation in advanced technologies of machine learning through industry-oriented curriculum.

Hands-on industry projects and regular sessions by industry experts.

Gain expertise in advanced topics such as web technologies, machine learning, deep learning, pattern recognition, computer vision, cognitive computing, human-computer interaction, generative AI, Sustainable AI etc.

AIML students got internships in top companies like AMAZON, Microsoft, Optum, PWC, Hexagon.

AIML students had bagged with industry projects in collaboration with companies like Hexagon in Deep Learning and Machine Learning.

Department has equipped with advanced laboratories with advanced softwares, class rooms with digital teaching resources.

AIML faculty are upgrading their skill as per the present requirements of industry.

Undergraduate programmes offered

IN COMPUTER SCIENCE AND ENGINEERING - ARTIFICIAL INTELLIGENCE AND MACHINE LEARNING (CSE - AI&ML)

Computer will overtake humans with Artificial Intelligence within the next 100 years. When that happens, we need to make sure the computers have goals aligned with ours.

The department of Computer Science and Engineering has a vibrant faculty with 28 in number (5 Professors, 5 Associate Professors and 18 Assistant Professors). Faculty with their vast Industrial and Teaching experience set the standards for the quality of education

for approaching years. The department is also supported by Adjunct Faculty from Industry and Academia.

Artificial Intelligence (AI)

is a branch of Computer Science that focuses on creating intelligent machines that work as human beings and replicates intelligent behavior.

Example: In any scenario of online shopping, after picking up a certain product, interest/relevant products are automatically popped. There is no need for explicit rules; the system figures out the recommendations on its own. This is the power of Artificial Intelligence (AI), an intelligent system that can perform human-like tasks such as recommendations.

Machine Learning (ML)

, a sub area of AI, makes a machine to learn on its own without being explicitly programmed. It provides the system, an ability to automatically learn and advance from experience.

Example: Continuing the same scenario of online shopping, the system learns, to make recommendations by observing the products, purchasers are interested in. The more the system observes, the more it learns about their purchasing behaviour and provides better recommendations. The technology behind is Machine Learning.

Artificial Learning and Machine Learning (AI & ML)

is an undergraduate programme with advanced learning solutions imparting knowledge of advanced innovations like machine learning, often called Deep Learning and Artificial Intelligence.

As all industries and organizations have adapted to Artificial Intelligence applications, currently there is and, in the future, there will be a high demand for opportunities in this field. Industries require new techniques to automate their process. There is a huge demand for professionals with AI & ML skills. Due to exponential growth in the field of Artificial Intelligence in almost every sector, the course can benefit the aspirants with high salary options and scope of growth in their career.

Few courses offered under the CSE – AI & ML specialization are

AI for games

Natural Language Processing

Data Analytics, etc.

To impart skills through various learning methodologies and value-added courses to be technically competent.

To inculcate ethics, leadership skills, life skills and lifelong learning

To expose the students to real time environment by internships and mentorships through collaborations with industries and premier institutions.

Program Outcomes (POs)

Engineering Graduates will be able to:

Engineering knowledge

: Apply the knowledge of mathematics, science, engineering fundamentals, and an engineering specialization to the solution of complex engineering problems.

Design/development of solutions:

Design solutions for complex engineering problems and design system components or processes that meet the specified needs with appropriate consideration for public health and safety, and cultural, societal, and environmental

Conduct investigations of complex problems:

Modern tool usage:

Create, select, and apply appropriate techniques, resources, and modern engineering and IT tools including prediction and modeling to complex engineering activities with an understanding of the

The engineer and society:

Apply reasoning informed by the contextual knowledge to assess societal, health, safety, legal and cultural issues, and the consequent responsibilities relevant to the professional engineering

Environment and sustainability:

Understand the impact of the professional engineering solutions in societal and environmental contexts, and demonstrate the knowledge of, and need for sustainable

Apply ethical principles and commit to professional ethics and responsibilities and norms of the engineering

Individual and teamwork:

Function effectively as an individual, and as a member or leader in diverse teams, and in multidisciplinary

Communicate effectively on complex engineering activities with the engineering community and with society at large, such as being able to comprehend and write effective reports and design documentation, make effective presentations, and give and receive clear

Project management and finance:

Demonstrate knowledge and understanding of the engineering and management principles and apply these to one's own work, as a member and leader in a team, to manage projects and in multidisciplinary

Recognize the need for, and have the preparation and ability to engage in independent and life-long learning in the broadest context of technological

Program Educational Objectives (PEOs)

Adapt emerging technologies to contribute to the technical innovations for the progressive development in their respective fields.

Demonstrate strong technical skills to bring out novel designs/products to address social & environmental issues.

Exhibit professional attitude, teamwork and practice code of ethics

Program Specific Outcomes (PSOs)

Ability to apply learned skills to build optimized solutions pertaining to Computer & Communication Systems, Data Processing, and Artificial Intelligence.

Employ standard strategies and practices in project development using FOSS (Free & Open-Source Software).

ECE Department

About the Department – BVRIT HYDERABAD College of Engineering for Women

ELECTRONICS AND COMMUNICATION ENGINEERING

About the Department

The Department was established during the inception of the Institute in the year 2012 with an intake of 60 and increased to 120 from AY 2014-15. Initiated PG Program in VLSI Design from the Academic Year 2024-25 and Ph.D Programme (VLSI-Communications) from the Academic Year 2026-27. The Department of ECE received its first NBA accreditation in the academic year 2018–19 for a period of three years and has successfully continued the accreditation status, with the latest accreditation granted in 2025–26 for another three-year period

Department of ECE offers

(Electronics and Communication Engineering) with an intake of 120

(VLSI Design) with an intake of 12

(Centre: VLSI – Communications)

Department of ECE has received Three University Gold Medals

(2013-17) received Late Prof. G. Purushotham memorial endowment gold medal for having secured highest marks in Mathematics – I among all branches of B.Tech from all JNTUH constituent and affiliated colleges amongst all graduates for the academic year 2016-17

(2018-22) received two gold medals – University Gold Medal and Pisupatti Supriya Desai endowment gold medal for having Secured First Rank in B.Tech (Electronics and Communication Engineering) from all JNTUH affiliated Colleges amongst all graduates for the academic year 2021-22

Achievements of the Department:

BEST IETE Student Branch Award by IETE Hyderabad chapter for the year 2013.

Received Academic Credentialing Award from Mathworks for three consecutive years

Successfully Completed Funded Projects worth Rs. (59.87 Lakh) from DST-TIDE, DST – SERB, TEQIP III –JNTUH and Microsoft

One Patent Grant – A Portable Medicine Identification and Alerting System for Visually Challenged People and Geriatrics (Indian – Utility Patent) with No: 531064

Four Start-Ups by Faculty, Alumni and Students

Three MSME Funded Projects each of Rs. 15 Lakh

The Department is supported by a fine amalgam of eminent and dynamic faculty members diversified in various domains like communications, Signal Processing, VLSI and Embedded Systems, striving continuously in providing quality education. They are also encouraged to collaborate with faculty members from other disciplines, both within and outside the institute. The alumni who are in the top echelons of industry talk about the academic strength of the department.

Dr Vasu Babu

, Professor, ECE listed in Top 2% with 2024 year rank of 414256 with Information and Communication Technologies as main field and Networking and Telecommunications as sub field released by Elsevier and Stanford University

Well Equipped labs and the infrastructure are regularly upgraded not only to serve the purpose of the curriculum prescribed by JNTUH but also facilitate to carry out innovative projects to challenge the fast changing needs of the society besides undertaking R&D activities in various fields. The Department Technical Association, Electro Elitz, and the professional student chapters IEEE, IETE, ISTE encourage students develop their technical and communication skills.

Industry Collaborations

Qualcomm Technologies – 5G Certifications & Mentorship in association with Q Cares, Qualcomm

MATLAB Chapter in Association with Mathworks

Drone Technology Training

Embedded Software Programming in Association with Pi Square Technologies

HCL Career Shaper

Industry Ready Professional Training Program – Veda IIT (University Collaboration)

Manjeera Digital Systems

Assistive Technology Lab

IoT Maker Space Lab

Drone Technology Lab

to develop Innovative projects addressing the needs of differently abled people and Societal Issues. Workshops, Industrial Visits, Mentorships, Internships, Guest lectures by Industry and Academic experts are often organized to inject industry oriented thinking, which helps students to take part in Hackathons organized by various reputed agencies

M1: To provide quality education to the students with emphasis on training related to latest technologies as per industrial needs

M3: To inculcate a perceptive alacrity in students to identify real life problems, formulate strategies and evolve into contextually effective solutions.

Program Outcomes (POs)

Program Educational Objectives (PEOs)

After three to six years of graduation, the graduates of this program:

Excel in contemporary problem solving in Electronics and Communication Engineering and the allied fields through the knowledge-base provided by the program.

Demonstrate their technical, communication and leadership skills in professional environment or as entrepreneurs with social responsibility.

Analyze the latest issues and technology growth in the field of Electronics and Communication Engineering and update their knowledge and skills accordingly through continuous learning.

Demonstrate ethical and human values in multicultural and multidisciplinary environments.

Program Specific Outcomes (PSOs)

The graduates of this program will be able to

Provide optimized solutions for digital, signal processing and communication systems.

Develop compact, energy efficient and low cost products to assist the differently abled people.

EEE Department

About the department – BVRIT HYDERABAD College of Engineering for Women

ELECTRICAL AND ELECTRONICS ENGINEERING

About the department

“We wind a simple ring of iron with coils; we establish the connections to the generator, and with wonder and delight we note the effects of strange forces which we bring into play, which allow us to transform, to transmit and direct energy at will” – Nikola Tesla.

Department of Electrical and Electronics Engineering (EEE) is established in the year 2012 with an intake of 60 students and affiliated to Jawaharlal Nehru Technological University Hyderabad, Hyderabad and accredited with

in the academic year 2018-19 for period of three years.

The department is supported by erudite and experienced faculty members and has full-fledged laboratories which takes care of regular curriculum as well as the latest technical developments.

The department of EEE also provides practical exposure beyond the syllabus which is reflected from the second year onwards. The main aim of the Electrical and Electronic Engineering program is to create enterprising professionals who have innovative disposition, confidence and abilities to take up leadership roles in technology, business and the society.

The program is designed to give essential skills to graduate engineers and make them readily employable in the present competitive global environment. The department also provides the required training by industry experts with hands on experience to make the students industry ready. The students and faculty members are also encouraged to do distinguished certifications from EdX, Coursera, NPTEL and IITB-Energy Swaraj.

Department Technical Association

and Professional Students' chapters IEEE, ISTE and IEI organize Workshops, Guest lectures, Seminars, Quiz Programmes, Group Discussions, Webinars etc. The students are motivated and mentored to participate in Project Expos, Hackathons, Ideation Contests at various National and International levels.

To provide industrial exposure to the students, the department organizes "Industrial Visits" and "Internships" at renowned industries such as BHEL, DRDO, NTPC, TSGenco, TS Transco, Renewsys, ITC, Mitsubishi, HBL, VVE Transformers, Toshiba Electricals, Premier Energies, Hammond Power Solutions, ADP, Coca Cola, Latent View, Daximac Power Solutions etc.

Many of our alumni are pursuing their higher studies at reputed universities in India and abroad. Most of the students are placed at reputed companies like

Robert Bosch, Latent View, TCS, Wipro, Capgemini, Ashok Leyland, Mahindra & Mahindra etc.

Ms. D Sowmya of 2014-18 batch

in her academics and for this she was awarded with

Gold Medal from JNTUH University

at VIII Convocation on 24

The department holds two funded projects from Department of Science and Technology (DST) which are titled "

Demonstration of MW scale Solar energy Integration in weak grid using Distributed Energy Storage architecture (D-SIDES)

" and "

Remote Diagnosis System for Assisted living using Internet of Things (IoT)

" which is worth of around 86 Lakh Indian Rupees.

34 KWp Grid-Tied Roof Top Solar PV System Plant

was inaugurated by Sri. K. V. Vishnu Raju, Chairman, SVES and Sri. Ravichandran Rajagopalan, Vice-chairman on 16

December 2018 as a part of

Infrastructure Development for the College.

Currently, department is headed by

Dr. B. Srinivasa Rao, M.Tech., Ph.D

. He is the senior member of

IEEE, FIE and LMISTE

To develop comprehensively trained and socially responsible women electrical and electronics engineers with competencies and capabilities to adapt to new challenges.

To empower the students adept at latest technologies by providing innovative learning environment.

To inculcate ethical behavior and professional attitude in order to embrace holistic concept of living.

Program Outcomes (POs)

Program Educational Objectives (PEOs)

After three to six years of graduation, the graduates of this program will be able to:

Propose effective solutions for complex electrical and electronics engineering problems using modern techniques.

Excel in their career and compete with their global peers in Techno-Scientific fields.

Exhibit good communication skills, ethical behavior & social perception.

Stimulate economic growth and job opportunities through entrepreneurship.

Program Specific Outcomes (PSOs)

The graduates of this program will be able to:

: Apply fundamental knowledge to analyze and implement solutions for societal challenges through enhanced experience.

IT Department

About the Department – BVRIT HYDERABAD College of Engineering for Women

INFORMATION TECHNOLOGY

About the Department

“To the Optimist the glass is half full. To the pessimist the glass is half empty. To the engineer the glass is twice as big as it needs to be.”

The Department of Information Technology launched in the year 2012, focus on comprehensive learning to benefit the students in making significant contributions to the Information Technology industry and to serve the society big.

The department strive obstinately for achieving excellence in computing disciplines from its inception and pursued through its gamut of academic programmes by offering B. Tech (IT) degree with an intake of 60 (120 from 2019) and M. Tech (Data Sciences) with an intake of 18 from 2020.

The Department has well equipped classrooms and computer laboratories with high-end systems with LAN & Wi-Fi connectivity. The department has many industry support and Centres of Excellence status in Data Science. The student's placement record of the department is continuously impressive.

The foremost objective of the department is to produce computing graduates with the calibre to design and develop computing systems that involves software and hardware integration by employing state-of-the-art approaches in programming and problem-solving skills. In addition, it strives to build data/computing infrastructure for the organization.

To emerge as a center of excellence in Information Technology and to produce women technocrats, global leaders for better tomorrow.

To impart quality education and inculcate problem solving skills using latest technologies in the field of Information Technology.

To promote industry academia linkage and also enhance entrepreneurship skills in women engineers.

Program Outcomes (POs)

Program Educational Objectives (PEOs)

Develop strong analytical skills using fundamental concepts of science & engineering subjects.

Excel in programming and critical thinking by applying core technical knowledge.

Exhibit continuous learning related to evolving technologies in their professional career.

Demonstrate ethical behavior, team work & leadership qualities to solve problems in broader social context.

Program Specific Outcomes (PSOs)

Formulate, simulate and use knowledge in various domains like Computer systems, data engineering, information and network security, artificial intelligence etc., thus enabling them for a better career path.

Provide optimized solutions using open-ended programming environment by following industry practices and strategies.

Course Outcomes (COs)

BS&H Department

About the Department – BVRIT HYDERABAD College of Engineering for Women

BASIC SCIENCES AND HUMANITIES

About the Department

It is the required stimulus and impetus to face the challenges of life.

Usually, first year of engineering students also affectionately called Freshmen face a lot of awkwardness and fear of entering into something new and a significant step into the real world. But have no inhibitions as we are here to make sure you are comfortable and secure in the new environment. BS&H dept lays a strong and sturdy foundation for the core engineering courses and a mixture of myriad subjects including Engineering

Drawing, English, Mathematics, Physics, Chemistry, Environmental Studies, Management Studies, besides acting as a stepping stone for the students to leap into their core engineering subjects.

We strive to strengthen students' fundamental principles and revivifying their knowledge, the department is supported by target oriented, highly qualified faculty with good teaching experience, who put consistent effort to meet the expectations of the students. They are easily accessible and approachable so that students feel free to come for counseling, guidance or for clarifications. They handle different courses like English Theory and ELCS Lab & Advanced Communication Skills Lab, Mathematics, Mathematical Methods, Engineering Physics theory and Lab, Engineering Chemistry Theory and Lab, Engineering Drawing, Engineering Workshop, Fluid Mechanics and Hydraulic Machinery Lab, Environmental Studies and Management Science.

The path we follow

To impart value-based knowledge to the students.

To keep pace with the growing needs of the society at large and industry in particular and prepare the students for life.

To organize training programs/seminars/workshops for upgrading staff performance.

Values embedded in us

Strives to lay excellent basic foundation in the principles of Science and Humanities and to increase students' knowledge, skills, and ability by revising and reviewing the basic concepts, which in turn help them to comprehend their core engineering subjects leading for their scintillating and brilliant career.

To equip the students with necessary skills required to meet the demands of the global professional world and to face future challenges in an effective manner.

Lorem ipsum dolor sit amet, consectetur adipiscing elit. Ut elit tellus, luctus nec ullamcorper mattis, pulvinar dapibus leo.

Honor Degree Program

Honor Degree Program – BVRIT HYDERABAD College of Engineering for Women

Honor Degree Program

Departments of ECE and CSE Offer Honor Degree Program for UG Students.

To earn an Honor Degree, a student has to earn 20 credits Additionally. Guidelines of the same are mentioned below

6. Admissions

Admission Process

Admission Process – BVRIT HYDERABAD College of Engineering for Women

Rank Analysis of TG EAPCET 2025-26

“One of the very important characteristics of a student is to question. Let the students ask questions.”

— A. P. J. Abdul Kalam

BVRIT-H develops the students by teaching her the very basics of respective domains.

The procedure for application in our courses is also very basic and clear.

How to apply

Category – A Seats will be filled by the Convener, TSEAMCET Admissions.

Category – B Seats will be filled by the College as per the guidelines of the TSCHE.

When to apply?

After the notification released by TSEAMCET for convener seats and TSCHE for B-category seats.

Can I apply online?

Yes, you can apply online for Category A seats through Convener- TSEAMCET and for Category B seats through the college website.

Where should I post the form?

Form will be available in Admissions tab when the notification is given by TSCHE.

How long should I wait to get the reply?

Complete schedule will be given by TSCHE.

Can I re-apply?

How do I know whether I will get admission or not?

You can check the last year (2023-24) EAMCET category wise rank details by clicking the following link.

TS EAMCET – 2023-24 Ranks

“Difficulties strengthen the mind, as labor does the body.”

At BVRIT-H we develop our students to become the leaders in their respective domains.

This process of overall development has some pre-requisite verticals.

10 + 2 MPC as major subjects.

60% Minimum Marks

Hostel Admission

Hostel – BVRIT HYDERABAD College of Engineering for Women

Getting admission into an Engineering college means entering into a different life, especially for the hostellers. While the parents are worried about their wards' security, the wards are with mixed feelings of excitement about the new environment and new friends and also

apprehensions about it. But there is nothing to worry much. We can assure you that end of four years you are going to really miss those days with full of beautiful memories.

Our hostel buildings are located right within the college campus which makes it easy for students to reach in time and also provides security. We have 4 blocks of hostels with 150+ rooms and occupancy of 500+. We have a common room where all the students gather and spend some quality time and gym area for students who are fitness freaks. Safety in the hostels is assured as we have experienced lady wardens and security officers allotted to each block who keep monitoring to run everything smoothly. Our hostel is hundred percent ragging free and an anti-ragging squad constantly monitors everything very closely.

Abode to wisdom

A full time lady physical director is available who conducts outdoor games like volleyball, badminton, throw-ball etc and also take care of their fitness activities.

We also have all the basic amenities and facilities like 24/7 water, Geyser systems, Nutritious food being provided. As a part of entertainment and awareness we have television system to keep us updated about current affairs, sports and also watch some movies for refreshment.

The atmosphere of our hostels is conducive to study. Here, people get to work on their own special social life. This is the place where they can do group study and discussion on their academics. They can also elevate their talent in different areas like painting, dancing, singing and many more.

Not only academics, sports, other activities, the life in hostel grooms your overall personality. This experience will make you a better team-player, decision maker and a person with high adaptability. Here you may find your best friend with same thinking pace.

Transportation

Transportation – BVRIT HYDERABAD College of Engineering for Women

Our institution believes that efficient ways of transportation in turn results in better productivity.

Thus BVRIT provides

buses for private transportation from all over the city to the campus. From over different routes , the fleet carries students across Hyderabad and nearby to the campus. All the buses are equipped with GPRS system for tracking and safety of the students. The timings and stops are detailed below.

7. Placements

Placements – Training & Placement Process

Training & Placement Process – BVRIT HYDERABAD College of Engineering for Women

Training & Placement Process

Basic Programming Skills

enable students to leverage the power of computers to develop innovative solutions, automate routine tasks, and solve complex problems. Learning these skills opens up a wide range of career opportunities in technology and other fields, while also strengthening critical thinking, logical reasoning, and problem-solving abilities.

Vishnu Student Success Centre (VSSC)

offers a holistic support system that promotes student growth and development. Its services include personalized tutoring, academic assistance, and career mentorship, all tailored to individual student needs. In addition, the Centre conducts workshops on wellness, personal development, and confidence-building to ensure well-rounded support for student success.

Women in Software Engineering (WISE)

is a distinctive initiative that runs alongside the regular academic curriculum. It aims to prepare women engineering students for the global tech industry by equipping them with up-to-date technical skills. The program is delivered in two levels, where students are trained in the latest technologies, making them industry-ready and highly competitive.

Web Application / Gaming Development Skills (using Python)

Python is a powerful and versatile language used for both web application and game development. In web development, frameworks like Django and Flask allow for rapid creation of secure, scalable applications through built-in tools for routing, templating, and database integration. In game development, libraries such as Pygame and Panda3D support the creation of interactive 2D and 3D games, including graphics, sound, and user input. Python's simplicity, vast libraries, and strong community support make it ideal for developing, testing, and deploying projects across platforms.

Intellectual Learning in Engineering Applications (ILEA)

aims to enhance a student's natural abilities in areas such as logical reasoning, quantitative skills, and problem-solving. This training helps improve performance in aptitude tests and prepares students for various competitive and academic challenges.

Entrepreneurship Awareness

initiatives encourage students to view self-employment and business creation as viable career paths. These programs provide the necessary knowledge and skills to develop an entrepreneurial mindset, introduce participants to the start-up ecosystem, and promote innovation, initiative, and self-reliance.

helps students sharpen their problem-solving abilities, improve coding efficiency, and develop logical thinking. Through regular practice in timed coding challenges, students gain a strong grasp of data structures and algorithms. These skills are essential for technical interviews and real-world software development. The program includes three levels of training in Competitive Coding.

Industry Programs / Internships / Mentorship

The college has multiple collaborations with industry partners, allowing students to pursue certifications that lead to internships and mentorship opportunities. These programs bridge the gap between classroom learning and industry expectations, enhance practical skills, and provide exposure to current trends and real-world challenges.

plays a vital role in supporting both the institution and its current students. They contribute through mock interviews, motivational and technical talks, career guidance, networking opportunities, and job referrals. The alumni also serve as ambassadors of the institution, helping build its reputation and supporting its growth and development.

Placements – Training & Placement Cell

Training and Placement Cell – BVRIT HYDERABAD College of Engineering for Women

Training and Placement Cell

Team Structure and ILOS

Training and Placement Cell (tap Cell)

The central placement cell under Sri Vishnu Educational society facilitates the students of BVRIT Hyderabad, BVRIT Narsapur, SVECW Bhimavaram, VIT Bhimavaram for placements. These students have been consistently topping, during the last seven years in the list of campus placement records among private institutions in Telangana and Andhra Pradesh. Students of BVRIT Hyderabad are highly appreciated by employers from corporate and the public sectors.

The college placement team, under the guidance of central TAP cell, facilitates students by offering advice, guidance, information and job-seeking support as a primary responsibility. Career Advisors are available to discuss ideas & plans, and students are encouraged to attend the wide range of talks, information fairs and recruitment events.

WITH THIS GOAL IN MIND, THE TRAINING AND PLACEMENT (TAP) CELL:

Arranges for in-plant industrial training for students during their summer and Intra semester break.

Encourages students to become entrepreneurs, through Entrepreneurship Development Programmes.

Promotes career guidance & counselling through lectures by senior corporate executives and visiting professors.

Training facilities for students to face competitive exams like GATE, GRE, GMAT, TOEFL and prepares them for the interviews.

Organizing campus interviews for pre-final and final year students with industrial and business houses of repute from all over India.

The TRAINING AND PLACEMENT Cell is headed by a Dean and is assisted by the Placement Officers.

TRAINING AND PLACEMENT Cell is now entrusted with the additional duty of interacting with the Industry to enhance the employment opportunities of the students and to get projects for staff to improve their “real world” awareness etc.

Placements – Employability Skills

Employability Skills – BVRIT HYDERABAD College of Engineering for Women

Employability Skills

Employability skills or “soft skills” are the key to workplace success.

Employability skills are a set of skills and behaviors that are necessary for every job.

Employability skills are sometimes called soft skills, foundational skills, work-readiness skills, or job-readiness skills.

Employability skills allow you to:

communicate with coworkers

understand your role within the team

make responsible choices, and

take charge of your own career

Personal qualities, habits, and attitudes influence how you interact with others. Employers value employability skills because they are linked to how you get along with coworkers and customers, your job performance, and your career success.

Interpersonal Skills

Be friendly and polite.

Respect supervisors and coworkers.

Respond appropriately to customer requests.

Ask for feedback.

Take constructive criticism.

Resolve conflicts calmly and appropriately.

Essential Employability Skills

Arrive to work on time, or early.

Have a positive attitude toward work.

Exert high levels of effort and perseverance.

Complete tasks on time and accurately.

Seek out information to improve skills.

Be flexible and adaptable.

Complete all tasks, even if unpleasant.

Understand dress code or uniform guidelines.

Maintain personal hygiene.

Communication Skills

Read and understand written materials.

Listen, understand, and ask questions.

Express ideas clearly when speaking or writing.

Learn required technology and use appropriately.

Problem Solving and Critical Thinking

Be willing to start, stop, and switch duties.

Work calmly in busy environments.

Start tasks without prompting.

Ask questions to solve problems do job better.

Be comfortable working with people of diverse backgrounds.

Be sensitive to other peoples' needs.

Take responsibility for own share of work.

Contribute to team goals.

Ethics and Legal Responsibilities

Take responsibility for own decisions and actions.

Understand and follow company rules and procedures.

Be honest and trustworthy.

Act professionally and with maturity.

The general employability skills above help you to get hired and to keep any job. In addition, anyone who wants to advance in their careers and people working in higher-level jobs should have the following professional skills.

Learn new skills and take on different projects.

Serve on work committees.

Take initiative and work with little supervision.

Understand your industry and common business practices.

Align your work goals with the mission and vision of your employer.

Understand the different roles of coworkers.

Coach and mentor others.

Be willing to take risks.

Be able to negotiate.

Motivate and direct people as they work.

Demonstrate efficiency.

Seek to simplify processes.

Save time or money for the company by analyzing business needs.

Build partnerships and teams with coworkers.

Placements – Internships

Internships – BVRIT HYDERABAD College of Engineering for Women

Students get Internship opportunities right from their 1st year till the final year. Students were paid as high as 1.1 lakh/month stipend during their Internship. Some of the companies that offered internships are Microsoft, Amazon, Qualcomm, Flipkart, Target, Qlik, etc apart from various other opportunities with a duration generally between 2-6 months. Internships come through the campus or Off- Campus with the college guidance. Many internship opportunities are getting converted to full time offers, but even otherwise the industry exposure and experience is helping the students to grab the other job opportunities.

Library

Library – BVRIT HYDERABAD College of Engineering for Women

The library is the temple of learning, and learning has liberated more people than all the wars in history

-Carl T. Rowan

The BVRITH Library

serves as the intellectual hub of

BVRIT Hyderabad Engineering College for Women

four-storey building known as the Ruby Block

The library also provides an extensive range of

co-curricular and competitive examination resources

, enabling students to prepare efficiently for various professional and external examinations. By offering access to diverse and updated information sources, the library helps learners gain practical insights into real-world applications and emerging trends.

Actively promoting literary engagement, the library supports various literary events and has established a vibrant literary club,

“PORTIA: The Literary Coven,”

to nurture creativity, critical thinking, and communication skills among students.

is a proud member of

National Digital Library of India (NDLI)

, ensuring seamless access to a vast repository of e-books, journals, and digital learning resources.

All materials are systematically organized using the

Dewey Decimal Classification (DDC)

NEW ARRIVALS OF FICTION & NON FICTION BOOKS

10 Most Active Student Barrowers - June 2024

Abode to wisdom

“Libraries store the energy that fuels the imagination. They open up windows to the world and inspire us to explore and achieve, and contribute to improving our quality of life. Libraries change the lives for the better.”

BVRITH library is automated with Engineering College Automation Package (ECAP). The Library catalogue can be accessed through the OPAC (Online Public Access Catalogue) which provides information of the library collection online. The library OPAC is accessible with the

BVRITH library also encourages students to access free content from AICTE sponsored Ekumbh website. The library maintains a Book Bank for SC/ST students which provide additional books offered by the Social Welfare Department, Government of Telangana.

The e- journal packages –

IEEE-ASPP, J-GATE (JET)

are accessible through KNIMBUS mLibrary platform and mlibrary mobile app also.

Remote access – Knimbus e-Library

Library Hours: 9:00 AM – 6:00 PM

Issue & Return: 10:00 AM – 5:00 PM

Here the library user can find the details of particular book availability by using through

. The training will be provided at digital library to utilize this e-library.

library@bvrithyderabad.edu.in

The final year projects of UG and PG are also checked for plagiarism only when sent through their guide/coordinator.

BVRITH Library has a rare book collection printed from 1919 onwards.

Food and Cafeteria

Food and Cafeteria – BVRIT HYDERABAD College of Engineering for Women

Food and Cafeteria

Good food. Good mood.

As we all know that the output that we get from anything is directly proportional to the input we give in. Thus to perform to their best potential and be super productive in any given moment, one must have a good nutritious diet that keeps their body, mind and heart healthy all the time.

The Cafeteria facility at BVRIT provides everyone with top class nutritious food maintaining the quality standards and hygiene at an affordable rate.

Veg & Non Veg Food

North & South Indian Cuisines

Fresh Choice Bakery

24/7 Coffee Shop

food, coffee & everything in between

Gym

Gym – BVRIT HYDERABAD College of Engineering for Women

Hustle for the Muscle.

“Physical fitness is not only one of the most important keys to a healthy body, it is the basis of dynamic and creative intellectual activity”

-John F. Kennedy

A state of complete physical, mental and social well-being is very essential in any stage of students' life, which is the sowing stage that decides the future course. College has a well equipped Gym. Students make use of the provision in their comfortable time under the guidance of experienced instructor.

Temple

Temple – BVRIT HYDERABAD College of Engineering for Women

The temple of our purest thoughts is silence

A Temple forms part of the daily life of all Hindu devotees in India – Spirituality. It is a place of worship along with its unique role as the manifestation of the Hindu dharma, whose roots spread wide across in the system of universal brotherhood.

The presiding Deity of BVRITH Hanuman is self-manifested, blesses all the fraternity of BVRITH. Daily pooja is being offered to God by priest, and special Aarathi will performed on Tuesday and Saturday.

Special pooja day

Keep calm and have faith

Security

Security – BVRIT HYDERABAD College of Engineering for Women

The precondition to freedom is security

As a coin have two sides, evils too reside in our society amongst good people. Thus we at BVRIT-H find it our prime duty to provide a safe and secure environment for all the students.

Some salient features of our security system:

BVRITH provides 24/7 Security.

Two teams of full-time security officers work in two shifts, patrol the campus.

The campus is constantly monitored by 15 Closed-circuit televisions CCTV.

A separate security officer is being employed at each hostel.

Special patrolling wing

24/7 Security surveillance

Special investigation team

PCS Facilities

PCS Facilities – BVRIT HYDERABAD College of Engineering for Women

BVRIT HYDERABAD College of Engineering for Women

created full fledged facilities to support and meet the needs of Physically Challenged Persons.

Following are the facilities:

Washrooms for Divyangjan

Wheelchair, EV Vehicle, and Wall Stick

Title of the project:

(CURIE) Core Grant for Women PG Colleges (DST/CURIE-PG/2024/7)

DST -CURIE (WISE-KIRAN Division)

PI: Dr. K V N Sunitha

Co-PI: Dr. Aruna Rao S L

Development of High Squareness Nanocrystalline Hexa Ferrites and Fabrication of a Prototype Self-Biased Microwave Circulator

Funding Agency: UGC-DAE-CSR

Amount: Rs. 2,70,000

Faculty: Dr. T. Ramesh

Project Name: Fluido Capteur

Funding Agency: AICTE and MIC

Amount: Rs. 2,95,000

Faculty: Mr R Priyakanth and Mr N M Sai Krishna

GIAT Revive –Beyond the walk

Student & Mentor Names: Ms. Sehaba Bhanu Shaik, Ms. Hema Sree, Mr N M Sai Krishna, Mr R Priyakanth

Funding Agency: IITI Drishti CPS Foundation

File. No: DRISHTI CPS/CF/SL/UG/2023/0000011

Month and Year: Oct 2023

Amount: 1 Lakh

Project Name: GIAT Revive

Funding Agency: BUILD Program – Greenko and IIT Hyderabad Technology Incubation Center

Amount: Rs. 1,00,000

Student & Mentor Names: Ms. Sehaba Bhanu Shaik, Ms. Hema Sree, Mr N M Sai Krishna, Mr R Priyakanth

Project Name: i-Sprayer

Funding Agency: TiHAN, IIT Hyderabad

Amount: Rs. 3, 00,000

Faculty: Mr R Priyakanth, Mr N M Sai Krishna and Ms. M Jagruthi

Smart Guardian for Safe Driving

Project Name: Smart Guardian for Safe Driving

Funding Agency: BUILD Program – Greenko and IIT Hyderabad Technology Incubation Center

Amount: Rs. 1, 00,000

Funding Agency: TiHAN, IIT Hyderabad

Amount: Rs. 10, 00,000

Faculty: Prof. R S Murali Nath, Ms. Seetha Swapnika B, Ms. Manasa Ch, Ms. Satya Priyanka M

Project Name: Silent Speak

Funding Agency: BUILD Program – Greenko and IIT Hyderabad Technology Incubation Center

Amount: Rs. 1, 00,000

Faculty: Prof. R S Murali Nath, Ms. Sai Sindhu K, Ms. Nikitha B, Ms. Mehnaaz,

PRECISION AGRICULTURE

Title of the Project – Precision Agriculture(File No-AI4E-2262-R5G9-21100412)

PI – Dr. KVN Sunitha,

Co-PI- Dr. Aruna Rao SL,

Dr. J Naga Vishnu Vardhan

Department : IT,CSE,ECE

Amount- 10,000 USD Azure credits

Scheme- Microsoft Azure AI for Earth

A FEASIBILITY STUDY AND HARDWARE FRAMEWORK FOR PHOTOPLETHSYMOGRAM BASED NON-INVASIVE BLOOD PARAMETER MONITORING SYSTEM USING NEAR INFRARED SPECTROSCOPY AND MACHINE LEARNING TECHNIQUES

Title of the project :A Feasibility Study and Hardware Framework for Photoplethysmogram based Non-Invasive Blood Parameter Monitoring System using Near Infrared Spectroscopy and Machine Learning Techniques (File No. SRG/2019/002299)

PI: Dr. R. Swathi Reddy

Department : ECE

SYNTHESIS OF GRAPHENE FROM AGRICULTURAL WASTE AS GREEN SUBSTITUTE AND ITS APPLICATION IN REMEDIATION OF HEAVY METALS IN WASTE WATER

Title of the project : Synthesis of Graphene from Agricultural waste as Green Substitute and its application in Remediation of Heavy metals in waste water. (File No. JNTUH/TEQIP-III/CRS/2019/Chemistry/06)

Department: BS & H

Amount: 2,50,000/- (Sanctioned)

Scheme: JNTUH-TEQIP III

PRE-CLINICAL INVESTIGATION AND DESIGN OF REAL TIME FETAL MONITORING DEVICE
USING NON-INVASIVE METHOD

Title of the project : Pre- Clinical Investigation and design of real time fetal monitoring device using non-invasive method. (File No. JNTUH/TEQIP-III/CRS/2019/ECE/06)

PI: Ms. Radha Abburi

Co-PI:Dr. M. Asha Rani, JNTUH

Amount: 2,99,600/- (On-Going)

Scheme: JNTUH-TEQIP III

CHARACTERIZATION OF PLYDROP PHENOMENA IN FRP COMPOSITES APPLICATION

Title of the Project: Characterization of Plydrop phenomena in FRP Composites Application (File No. JNTUH/TEQIP-III/CRS/2019/MECH/04)

Name of the Faculty: Ms.A.Ramya

Department: BS & H

Amount: 2,90,000/- (Sanctioned)

Scheme: JNTUH-TEQIP III

REMOTE DIAGNOSIS SYSTEM FOR ASSISTED LIVING USING IOT FOR RURAL AREAS
SEED/TIDE/2018/39

Title of the project : Remote Diagnosis system for Assisted living using IOT for Rural areas SEED/TIDE/2018/39

PI: Dr. Mr.R. Guruswamy

CO PI-I : Dr.Ch. Sunil Kumar

CO PI – II: Mr.Ch. Santosh Kumar

DEMONSTRATION OF MW SCALE SOLAR ENERGY INTEGRATION IN WEAK GRID USING
DISTRIBUTED ENERGY STORAGE ARCHITECTURE(D-SIDES) DST/CERI/MI/SG/2017/057

Title of the project : Demonstration of MW scale solar energy integration in weak grid using distributed energy storage architecture(D-SIDES) DST/CERI/MI/SG/2017/057

PI: Dr. Ch.Sunil Kumar

CO PI : Dr.V.Rajeswari

Year: 2018 to 2024

Amount : Rs. 33,03,600/-

ENTREPRENEURSHIP AWARENESS CAMP (EAC) EDII/DST-NIMAT/18-19/EAC-27

Title of the project : Entrepreneurship awareness camp (EAC) EDII/DST-NIMAT/18-19/EAC-27

PI: Dr. K V N Sunitha

CO PI-I : Dr.J.Naga Vishnu Vardhan

CO PI – II: Dr Anwar Pasha

Amount: Rs. 40,000/- (Completed)

AUTOMATIC ROAD EXTRACTION FROM SATELLITE IMAGERY NRSC/PPEG/11/2018

Title of the project : Automatic Road Extraction from Satellite
Imagery NRSC/PPEG/11/2018

PI: Dr KVN Sunitha

CO PI-I : Mr. L Naveen Kumar

CO PI – II: Mr. Ch. Anil Kumar

A FRAMEWORK FOR SCENIC INTERPRETATION OF CROWD-SOURCED GEO-TAGGED
PHOTOGRAPHS BASED ON IMAGE ANALYSIS AND DEEP LEARNING MODEL
NRSC/PPEG/11/2018

Title of the project : A framework for scenic interpretation of crowd-sourced geo-tagged
photographs based on image analysis and deep learning model NRSC/PPEG/11/2018

PI: Mr. L Naveen Kumar

CO PI-I : Dr KVN Sunitha

CO PI – II: Mr. Ch. Anil Kumar

ANALYSIS OF CAREER PATH OF WOMEN ENGINEERS IN INDIA
DST/NSTMIS/05/233/2016-17

Title of the project : Analysis of career path of women engineers in
India DST/NSTMIS/05/233/2016-17

CO PI – I : Dr. K V N Sunitha

CO PI-II : Dr. T. Roja Rani

Dept: BS & H & CSE

Amount : Rs. 27,32,400/-

MEDICINE RECOGNITION SYSTEM AND ALERTING DEVICE FOR GERIATRICS
SEED/TIDE/043/2013PI

Title of the project : Medicine recognition system and alerting device for
Geriatrics SEED/TIDE/043/2013PI

PI: Dr. K V N Sunitha

Amount: 20,000/- (Completed)

Scheme: CSI for R&D

Suraksha – Safety Device for Workers in Mining Industry

Project Name: Suraksha – Safety Device for Workers in Mining Industry

Funding Agency: MSME

Amount: Rs. 15, 00,000

Mentor Names: Mr R Priyakanth, Mr N M Sai Krishna

PI Name: Ms. Y Grahya

Sight Scribe – Revolutionizing Transcribing for the Visually Impaired

Project Name: Sight Scribe – Revolutionizing Transcribing for the Visually Impaired

Funding Agency: MSME

Amount: Rs. 15,00,000

Mentor Names: Mr R Priyakanth, Mr N M Sai Krishna

PI Name: C. Srinika Sharma

Diagnosis of Abnormal Walking Patterns using Deep Learning

Project Name: Diagnosis of Abnormal Walking Patterns using Deep Learning

Funding Agency: MSME

Amount: Rs. 12,75,000

Mentor Names: Mr R Priyakanth and Mr N M Sai Krishna

PI: Ms. Hemasree Jonnalagadda

Craftscart-Family of Crafts

Project Name: Craftscart-Family of Crafts

Funding Agency: MSME

Amount: Rs. 12,75,000

Mentor Names: Mrs. Mateti Shobharani, Dr. Naredla Suman Kumar

PI Name: Ashwini Mateti

Consultancy Projects

Consultancy Projects – BVRIT HYDERABAD College of Engineering for Women

Consultancy Projects

Website and Software Development

Name of the Industry:

Veda Technical Services

Dr. V. Surya Narayana Reddy, Assistant Professor, CSE

6 Months (15-10-2024 to 12-04-2025)

Rs. 1,00,000 /-

Website Building for Sri Dakshina Moorthy Pulvarisers

Name of the Industry:

Sri Dakshina Moorthy Pulvarisers

Dr. Venkatesh B, Associate Professor, CSE

3 Months (19-09-2024 to 14-12-2024)

Rs. 50,000 /-

Question Bank for technical interviews

Name of the Industry:

Siddhi Consultancy, Vijayawada

Mr. M. Dyva Sugnana Rao,

Assistant Professor, CSE

ERP Package for shree software solutions consultancy services

Name of the Industry:

Shree Software Solutions Consultancy Services, Vijayawada

Dr. G Naga Satish, Professor, CSE

DESIGN, ERECTION AND COMMISSIONING OF ELECTRICAL INSTALLATIONS

Name of the Industry:

Fresh Choice (Anjani Foods Limited)

Dr. Chava Sunil Kumar, Professor, EEE

Mr. G. Sandeep

, Associate Professor, EEE

Mr. M. Rupesh,

Assistant Professor, EEE

DEVELOPMENT OF CHIP BASED AUTHENTICATION SYSTEM

Name of the Industry: Hitech Print Systems Limited

Public/Private/NGO: Private

Principal /Co-Investigator(s) :

PI : Dr. J Naga Vishnu Vardhan

Co-I: Mr. R. Priyakanth

Mr. N M Sai Krishna

Amount : Rs. 4,98,120/-

DESIGN AND ERECTION OF ELECTRICAL INSTALLATIONS

Name of the Industry: Hitech Print Systems Limited

Public/Private/NGO : Private

Principal /Co-Investigator(s):

PI : Dr. Chava Sunil Kumar

Co-I: Mr. A V Ramana Reddy

Co-II: Mr. Ch. Santosh Kumar

Amount: Rs. 4,85,000/-

ERP PACKAGE FOR GORINTA HOTELS PVT LTD.,

Name of the Industry : Gorinta Hotels Pvt Ltd., HYDERABAD

Public/Private/NGO: Private

PI: Dr. Aruna Rao S L

Co-PI: Dr. K AdiNarayana Reddy

Ms. Shanti G

Amount: Rs. 3,50,000/-

ERP PACKAGE FOR SURE IT SOLUTIONS PRIVATE LIMITED

Name of the Industry :Sure It Solutions Private Limited, HYDERABAD

Public/Private/NGO: Private

PI: Dr. K V N Sunitha

Co-PI: Mr. R S Muralinath

Ms. S Ramadevi

Amount: Rs. 6,50,000/-

Name of the Industry : Raghavendra Constructions HYDERABAD (A.Y: 2019-20)

Public/Private/NGO : Private

Principal /Co-Investigator(s) :

PI : Dr. G. Naga Satish

Co-I: Ms. D. Swapna

Mr. L. Naveen Kumar

Amount : Rs. 1,50,000/-

B.TECH QUESTION BANK APP FOR BRAIN STORM ACHIEVER

Name of the Industry : Brain Storm Achiever, HYDERABAD

Public/Private/NGO : Private

Principal /Co-Investigator(s) :

PI : Dr. K. V. N. Sunitha

Co-PI: Mr. K. Naresh

Ms P.S. Latha Kalyampudi

Amount : Rs. 2,50,000/-

B.TECH QUESTION BANK FOR GATE EXPERTS

Name of the Industry : Gate Experts & Technology Solutions, HYDERABAD

Public/Private/NGO : Private

Principal /Co-Investigator(s) :

PI : Dr. K.V.N.Sunitha

Co-PI: Mr. K Naresh

Dr. Ch. Srinivasulu

Dr. Aruna Rao S L

Amount : Rs. 2,53,700/-

WEBSITE FOR HUMANITY FOUNDATION

Name of the Industry : HUMANITY FOUNDATION

Public/Private/NGO : NGO

Principal /Co-Investigator(s) :

PI : Dr. K.V.N.Sunitha

Co-PI: Mr. K Naresh

Dr. Ch. Srinivasulu

Mr. M. Bapiraju

Amount : Rs. 89,340/-

ERP SOLUTION FOR FRESH CHOICE

Name of the Industry : Anjani Foods Limited

Public/Private/NGO : Private

Principal /Co-Investigator(s) :

PI : Dr.K.V.N.Sunitha

Co-I: Mr. R S Muralinath

Amount : Rs. 10,18,400/-

GRADUATE ASSESSMENT TEST

Name of the Industry : Seneca Global IT Services Private Limited (AY:2016-17)

Public/Private/NGO : Private

Principal /Co-Investigator(s) :

PI : Mr. Ajay Mali

Co-I: Dr. A. Vasanthi

Ms. Sabbani Rama Devi

Amount : Rs. 1,13,382/-

Name of the Industry : Seneca Global IT Services Private Limited (AY:2016-17)

Public/Private/NGO : Private

Principal /Co-Investigator(s) :

PI : Mr.Ajay Mali

Co-I: Dr.A. Vasanthi

Mr. Naveen Kumar Laskari

Amount : Rs. 65,372/-

SENSORS FOR SCANNING OF FOOD PRODUCTS

Name of the Client: Anjani Foods limited

Title: Sensors for Scanning of Food Products

PI: Ms. M. Praveena, Associate Professor, ECE

CO-PI: Ms. A. Radha, Associate Professor, ECE

Amount: Rs. 2.2 Lakh

ERP PACKAGE FOR HI-TECH PRINT SYSTEMS LIMITED

Name of the Industry: Hi-Tech Print Systems Limited

PI: Dr. K. V. N. Sunitha, Principal and Professor in CSE

Dr. L. Lakshmi, Professor, CSE

Ms. M.L. Prashanti, Associate Professor, IT

Amount: Rs. 5,50,000.00/-

INVENTORY PACKAGE FOR RAGHAVENDRA BUILDERS

Name of the Client : Raghavendra Builders

PI: Dr. K. Srinivasa Reddy, Professor-CSE

Mr. M.D. Sugnana Rao, Assistant Professor, CSE

Ms. D. Sangeetha, Assistant Professor, IT

Amount: Rs. 3,00,000/-

PROPERTY VALUATION PACKAGE FOR KM VALUERS

Name of the Client: KM Valuers

PI: Mr. K. Naresh, Assistant Professor, CSE

Mr. K. Rajesh, Assistant Professor, CSE

Mr. L. Naveen Kumar, Assistant Professor, IT

Amount: Rs. 3,00,000.00/-

OFFICE FURNITURE FOR HITECH PRINT SYSTEMS LIMITED

Name of the Industry: Hitech Print Systems Limited

Title: Office Furniture for Hitech Print Systems Limited

PI: Mr. M. Gangadhar Tilak, Assistant Professor, Basic Sciences and Humanities

Co-PI: Ms . A. Ramya, Assistant Professor, Basic Sciences and Humanities

Amount: Rs. 2.3 Lakh

PROVIDING FURNITURE AND FIXTURES FOR RAY INTERIORS

Name of the Client: RAY INTERIORS

Title: Providing Furniture and Fixtures for RAY INTERIORS

PI: Mr. K. Nagendra Kumar, Assistant Professor, Basic Sciences and Humanities

CO-PI: Mr. M. Gopi Krishna, Assistant Professor, Basic Sciences and Humanities

Amount: Rs. 3.5 Lakh

DESIGN, INSTALLATION AND COMMISSIONING OF ON/OFF GRID CONNECTED ROOF TOP SOLAR PV SYSTEM

Clients: Local Customers

Title: Design, Installation and Commissioning of on/off Grid Connected Roof Top Solar PV System

PIs and Co-PI's : Dr. Ch. Sunil Kumar

Mr. G. Sandeep

Amount: Rs. 2.5 Lakh

Patents Published

Patents – BVRIT HYDERABAD College of Engineering for Women

VOICE2SIGN : ENABLING COMMUNICATION THROUGH GESTURES

Title: VOICE2SIGN : ENABLING COMMUNICATION THROUGH GESTURES

Applicant Name: Dr. Akansha Tyagi Sanivarapu Prasanth Vaidya

Application ID:202541054250

Publication Date: 6/13/2025

REAL-TIME SIGN LANGUAGE GESTURE RECOGNITION FOR WOMEN'S SAFETY USING DYNAMIC TIME WARPING AND VOTING

Title:REAL-TIME SIGN LANGUAGE GESTURE RECOGNITION FOR WOMEN'S SAFETY USING DYNAMIC TIME WARPING AND VOTING

Applicant Name: Dr. Akansha Tyagi

Application ID:202541025175

Publication Date: 3/28/2025

Eco-Friendly PVA-XG Blend Polymer Electrolyte for Solid-State Sodium Ion Batteries

Title: Eco-Friendly PVA-XG Blend Polymer Electrolyte for Solid-State Sodium Ion Batteries

Applicant Name: Dr. Anji Reddy Polu

Application ID: 202541065656

Publication Date: 18-7-2025

Pyrolized egg shell based adsorbent for Fluoride removal from water

Title: Pyrolized egg shell based adsorbent for Fluoride removal from water

Applicant Name: Dr V Madhavi

Application ID: "202541059470

Publication Date: 04-07-2025

Identification Of Topology Attacks in Smart Grid Using KNN-Based Machine Learning Algorithm

Title: Identification Of Topology Attacks in Smart Grid Using KNN-Based Machine Learning Algorithm

Applicant Name: Dr. Prasanta Kumar Jena

Application ID: 202541051166

Publication Date: 13-06-2025

Design and Implementation of Fault-Tolerant High-Performance Adder Architectures for Scalable Digital Systems

Title: Design and Implementation of Fault-Tolerant High-Performance Adder Architectures for Scalable Digital Systems

Applicant Name: Ms. Rajidi Sahithi

Application ID: 202541054577

Publication Date: 13-06-2025

Intelligent Regenerative Braking Monitoring System for Electric Vehicles

Title: Intelligent Regenerative Braking Monitoring System for Electric Vehicles

Applicant Name: Dr. M Rupesh

Application ID: 202541051026 A

Publication Date: 06-12-2025

Adaptive Traffic System with Emergency Vehicle Priority

Title: Adaptive Traffic System with Emergency Vehicle Priority

Applicant Name: Dr. M Rupesh

Application ID: 202541047992 A

Publication Date: 06-06-2025

ORSIONAL VIBRATIONS IN A TWO LAYERED POROELASTIC CYLINDER WITH IMPERFECT BONDING,

Title: ORSIONAL VIBRATIONS IN A TWO LAYERED POROELASTIC CYLINDER WITH IMPERFECT BONDING,

Applicant Name: Dr.C.Nageswaranath

Application ID: 202541053580

Publication Date: 13-06-2025

Sol-Gel Synthesized Cobalt Ferrite with Tunable Properties via Annealing for Biomedical and Magnetic Applications

Title: Sol-Gel Synthesized Cobalt Ferrite with Tunable Properties via Annealing for Biomedical and Magnetic Applications

Applicant Name: Dr. B. Anna Tanuja Safala

Application ID: 202541056828 A

Publication Date: 27-06-2025

ALERT–ALTER–ASSIST: An IoT-Based Life-Saving Vehicle Alert System for Accelerated Emergency Response

Title: ALERT–ALTER–ASSIST: An IoT-Based Life-Saving Vehicle Alert System for Accelerated Emergency Response

Applicant Name: Dr.S.Faith Manjusha Vijayalatha

Application ID: 202541049412 A

Publication Date: 06-06-2025

Quantum-Inspired DNA Cryptography using LFSR-Driven Sequence Generation

Title: Quantum-Inspired DNA Cryptography using LFSR-Driven Sequence Generation

Applicant Name: Ms. Rajidi Sahithi

Application ID: 202541054295

Publication Date: 13-06-2025

AI-Powered Medical Chatbot for Medicine Identification and Treatment Guidance Using NLP and OCR

Title: AI-Powered Medical Chatbot for Medicine Identification and Treatment Guidance Using NLP and OCR

Applicant Name: Dr.R.Suneetha Rani

Application ID: 202541046049

Publication Date: 30-05-2025

Seizure Detector and Monitor

Title: Seizure Detector and Monitor

Applicant Name: Dr.Viswanadham R

Application ID: 202541047220 A

Publication Date: 06-06-2025

Hand Gesture to Speech: An Embedded System-Based Assistive Communication System

Title: Hand Gesture to Speech: An Embedded System-Based Assistive Communication System

Applicant Name: Dr.K.Amritha

Application ID: 202541044498

Publication Date: 30-05-2025

IoT Enabled Lineman Safety Mechanism for Electrical Line Maintenance

Title: IoT Enabled Lineman Safety Mechanism for Electrical Line Maintenance

Applicant Name: Dr.K.Amritha

Application ID: 202541053999

Publication Date: 13-06-2025

Neuro Guard: Intelligent Seizure Alert Device

Title: Neuro Guard: Intelligent Seizure Alert Device

Applicant Name: Banka Sujatha

Application ID: 202541055012

Publication Date: 13-06-2025

Post-Quantum Security Chip with Multi-Layer Defense and Zero-Trust Architecture

Title: Post-Quantum Security Chip with Multi-Layer Defense and Zero-Trust Architecture

Applicant Name: Dr.V.Hindumathi

Application ID: 202541053313 A

Publication Date: 13-06-2025

Automated Waste Segregation System Using Arduino-Based Sensors

Title: Automated Waste Segregation System Using Arduino-Based Sensors

Applicant Name: Rama Lakshmi Gali

Application ID: 202541053960

Publication Date: 13-06-2025

Colour Smart Currency Reader

Title: Colour Smart Currency Reader

Applicant Name: M Praveena

Application ID: 202541054343

Publication Date: 13-06-2025

Deep Learning Techniques for Image Super-Resolution in Medical Imaging and Satellite Systems

Title: Deep Learning Techniques for Image Super-Resolution in Medical Imaging and Satellite Systems

Applicant Name: V Santhosh Kumar

Application ID: 202541050707 A

Publication Date: 13-06-2025

Applicant Name: Dr. S. Prasanth Vaidya

Application ID: 202541042712

Publication Date: 30-05-2025

Spectra Eye: Hyperspectral Imaging and AI-Enabled Drone System for Hidden Threat Detection in Sensit

Title: Spectra Eye: Hyperspectral Imaging and AI-Enabled Drone System for Hidden Threat Detection in Sensit

Applicant Name: Dr. K. Kavita

Application ID: 202541044184

Publication Date: 30-05-2025

Integrated wheelchair Compatible vehicle Seating & control system

Title: Integrated wheelchair Compatible vehicle Seating & control system

Applicant Name: Dr. K. Kavita

Application ID: 202541040389 A

Publication Date: 16-05-2025

DESIGN AND IMPLEMENTATION OF EMERGENCY BRAKING SYSTEM FOR ELECTRIC VEHICLE

Title: DESIGN AND IMPLEMENTATION OF EMERGENCY BRAKING SYSTEM FOR ELECTRIC VEHICLE

Applicant Name: Dr. K. Kavita

Application ID: 202541035525 A

Publication Date: 09-05-2025

Smart Medicine Box for Blind with expiry alerts and stock monitoring and

Title: Smart Medicine Box for Blind with expiry alerts and stock monitoring and

Applicant Name: Dr. Anwar Bhasha Pattan

Application ID: 202541044346A

Publication Date: 30-05-2025

Design and Analysis of Quasi-binomial series array antenna for millimeter (mm) wave for 5G applications

Title: Design and Analysis of Quasi-binomial series array antenna for millimeter (mm) wave for 5G applications

Applicant Name: Dr. K. Vasu Babu

Application ID: 202541037450 A

Publication Date: 16-05-2025

AI-Powered Diagnosis of Erythemato Squamous Diseases

Title: AI-Powered Diagnosis of Erythemato Squamous Diseases

Applicant Name: Dr.Viswanadham R

Application ID: 202541026351

Publication Date: 28-03-2025

Smart Watch based Adapitive poster monitouring and feed back system with user Speific identification

Title: Smart Watch based Adapitive poster monitouring and feed back system with user Speific identification

Applicant Name: Dr M Anita

Application ID: 202541056107 A

Publication Date: 20-06-2025

BRAIN-COMPUTER INTERFACE FOR MENTAL STATE ANALYSIS

Title: BRAIN-COMPUTER INTERFACE FOR MENTAL STATE ANALYSIS

Applicant Name: Dr T Thammi Reddy

Application ID: 202541003984

Publication Date 24-01-2025

PIEZO Electric energy harwesting system for stainable power generation from human food steps

Title: PIEZO Electric energy harwesting system for stainable power generation from human food steps

Applicant Name: Ms K Sowmaya

Application ID: 202541056767 A

Publication Date: 20-06-2025

Sodium Ion Conducting PVA NaCMC Biopolymer Electrolyte for Rechargeable Battery Application

Title: Sodium Ion Conducting PVA NaCMC Biopolymer Electrolyte for Rechargeable Battery Application

Applicant Name: Dr. Anji Reddy Polu

Application ID: 202541018967

Publication Date: 21-03-2025

Blend Biopolymer Electrolyte for Solid State Silver Ion Battery

Title: Blend Biopolymer Electrolyte for Solid State Silver Ion Battery

Applicant Name: Dr. Anji Reddy Polu

Application ID: 202541018942

Publication Date: 14-03-2025

AI IoT based Food Safety Detecting System using Advanced Sensor Technology

Title: AI IoT based Food Safety Detecting System using Advanced Sensor Technology

Applicant Name: Dr. B. Uma Rani

Application ID: 202541010725

Publication Date: 14-02-2025

Optimized Scheduling Of Battery Energy Storage Using Initial State Of Charge As A Control Variable In Energy Management Systems

Title: Optimized Scheduling Of Battery Energy Storage Using Initial State Of Charge As A Control Variable In Energy Management Systems

Applicant Name: Rampelli Manojkumar

Application ID: 202541009042

Publication Date: 14-02-2025

Wireless Gesture Control Interface for Personal Computing Devices

Title: Wireless Gesture Control Interface for Personal Computing Devices

Applicant Name: 1.Dr.K.Bhavya 2.Ms.A.Abhinaya 3.Ms.G.Triveni 4.Ms.R.Greeshma
5.Ms.M.Shiva Deepika

Application ID: 202541032499

Publication Date: 25-04-2025

Lane Detection for Urban and Highway Environment

Title: Lane Detection for Urban and Highway Environment

Applicant Name: Mr. P. Rajesh Kumar

Application ID: 202541022218

Publication Date: 21-03-2025

Mobile Signal Booster And Jammer

Title: Mobile Signal Booster And Jammer

Applicant Name: Dr M Ranjeeth Dr B Nagesh Deevi

Application ID: 202541022556

Publication Date: 28-03-2025

A System And Method For Brain Abnormally Detection And Classification

Title: A System And Method For Brain Abnormally Detection And Classification

Applicant Name: Ms. P. Nikhitha

Application ID: 20254104538

Publication Date: 31-01-2025

Leveraging Transfer Learning For Potato Leaf Disease Anticipation

Title: Leveraging Transfer Learning For Potato Leaf Disease Anticipation

Applicant Name: Ms.A.Naga Kalyani

Application ID: 202541028909

Publication Date: 25-04-2025

AI Powered Fault Prediction In Industrial Duct Fans For Proactive Maintenance

Title: AI Powered Fault Prediction In Industrial Duct Fans For Proactive Maintenance

Applicant Name: Dr. M. Indrasena Reddy Dr. V. Surya Narayana Reddy Mr. M Dyva Sugnana Rao Mr. Naresh Koenni

Application ID: 202541030753

Publication Date: 11-04-2025

COIN DETECTION USING IMAGE PROCESSING

Title: COIN DETECTION USING IMAGE PROCESSING

Applicant Name: Rama Lakshmi Gali

Application ID: 202541001355

Publication Date: 10-01-2025

Brain - Computer Interface for Mental State Analysis

Title: Brain – Computer Interface for Mental State Analysis

Applicant Name: Saikumar Tara

Application ID: 202541003984

Publication Date: 24-01-2025

A SYSTEM AND METHOD FOR BRAIN ABNORMALLY DETECTION AND CLASSIFICATION

Title: A SYSTEM AND METHOD FOR BRAIN ABNORMALLY DETECTION AND CLASSIFICATION

Applicant Name: Nikitha Pitla

Application ID: 202441104538

Publication Date: 10-01-2025

Detection and Classification of Skin Cancer Using Back-Propagated Artificial Neural Networks

Title: Detection and Classification of Skin Cancer Using Back-Propagated Artificial Neural Networks

Applicant Name: B. Srinivasulu, Ms. S. Rama Devi, Ms. R. Sravani, Ms.K. Bharathi

Application ID: 202541001293

Publication Date: 17-01-2025

Smart Kitchen Container

Title: Smart Kitchen Container

Applicant Name: Rajidi Sahithi

Application ID: 202541005829

Publication Date: 30-01-2025

DETECTION OF FRUITS AND THEIR PARAMETERS USING RASPBERRY PI

Title: DETECTION OF FRUITS AND THEIR PARAMETERS USING RASPBERRY PI

Applicant Name: T Amy Prasanna

Application ID: 202541005853

Publication Date: 30-01-2025

SELF-STABILIZING SPOON FOR PARKINSON'S SUFFERERS

Title: SELF-STABILIZING SPOON FOR PARKINSON'S SUFFERERS

Applicant Name: Dr M Ranjeeth

Application ID: 202541005455

Publication Date: 31-01-2025

Applicant Name: Dr M Ranjeeth

Application ID: 202541005867

Publication Date: 31-01-2025

Arduino-Driven Comfort Assessment System for Indoor Environments

Title: Arduino-Driven Comfort Assessment System for Indoor Environments

Applicant Name: Banka Sujatha

Application ID: 202441100848

Publication Date: 03-01-2025

Innovative Solution for Water Overflow: An Impulse Regulator System

Title: Innovative Solution for Water Overflow: An Impulse Regulator System

Applicant Name: Banka Sujatha

Application ID: 202441099770

Publication Date: 03-01-2025

Smart Diaper System with Load Monitoring and Insect Detection for Healthcare Assistance

Title: Smart Diaper System with Load Monitoring and Insect Detection for Healthcare Assistance

1) Dr. M Shanmuga Sundari,

2) Ms. Yeluri Divya,

3) Ms. D Swapna

Application ID: 202441101562

Publication Date: 10-01-2025

ENERGY-EFFICIENT TIMETABLE GENERATION SYSTEM IN EDUCATIONAL INSTITUTIONS
FOR PEAK LOAD

Title: ENERGY-EFFICIENT TIMETABLE GENERATION SYSTEM IN EDUCATIONAL
INSTITUTIONS FOR PEAK LOAD

Applicant Name: Dr. Rampelli Manojkumar

Application ID: 202541005851

Publication Date: 31-01-2025

AI-POWERED PHISHING DETECTION SYSTEM USING NATURAL LANGUAGE PROCESSING

Title: AI-POWERED PHISHING DETECTION SYSTEM USING NATURAL LANGUAGE
PROCESSING

Applicant Name: 1) Ms. Padmavati E Gundgurti

2) Ms. B Nagaveni

Application ID: 202541008483

Publication Date: 22-02-2025

Edge-Aware Geospatial Image Analytics System for Precise Land Use Classification

Title: Edge-Aware Geospatial Image Analytics System for Precise Land Use Classification

Applicant Name: 1) Dr. R. Suneetha Rani,

2) Dr. Shanmuga Sundari M,

3) Ms. Suparna Das

Application ID: 202541012330

Publication Date: 21-02-2025

Integrated System for Neuro Disease Diagnosis and Management Using Large Language
Models and Advanced Image Processing

Title: Integrated System for Neuro Disease Diagnosis and Management Using Large
Language Models and Advanced Image Processing

Applicant Name: 1) Ms. D. Swapna,

2) Ms. Suparna Das,

3) Dr. Shanmuga Sundari M

Application ID: 202541010761

Publication Date: 14-02-2025

Cache Controller Design for Enhanced Data Access Rates

Title: Cache Controller Design for Enhanced Data Access Rates

Applicant Name: Dr T Thammi Reddy

Application ID: 202541009410

Publication Date: 14-02-2025

BRAIN-COMPUTER INTERFACE FOR MENTAL STATE ANALYSIS

Title: BRAIN-COMPUTER INTERFACE FOR MENTAL STATE ANALYSIS

Applicant Name: Dr T Thammi Reddy

Application ID: 202541003984

Publication Date: 24-01-2025

Enhanced Human Pose Estimation with Predictive Modelling Using U-Net and BlazePose Frameworks

Title: Enhanced Human Pose Estimation with Predictive Modelling Using U-Net and BlazePose Frameworks

Applicant Name: Dr. M Shanmuga Sundari,

Ms. Thada Jyothirmai

Application ID: 202541007992

Publication Date: 14-02-2025

AI-IoT based Food Safety Detecting System using Advanced Sensor Technology

Title: AI-IoT based Food Safety Detecting System using Advanced Sensor Technology

Applicant Name: Dr. T. Roja Rani,

Dr. B. Uma Rani,

Mr. S. Raghavendra

Application ID: 202541010725

Publication Date: 14-02-2025

Sustainable energy management with IoT based monitoring system

Title: Sustainable energy management with IoT based monitoring system

Applicant Name: Dr.S.Kalyan

Application ID: 202541008141 A

Publication Date: 14/02/2025

AI-Driven Drug Discovery: Revolutionizing Healthcare and Reducing Development Timelines

Title: AI-Driven Drug Discovery: Revolutionizing Healthcare and Reducing Development Timelines

Applicant Name: 1.Dr. Aruna Rao S.L

2. Ms. S. Rama Devi

3. Dr. B.Srinivasulu

Application ID: 202541006249

Publication Date: 31/01/2025

Deep Learning based System for Automated Detection of Potato Leaf Diseases using Convolutional Neural Networks

Title: Deep Learning based System for Automated Detection of Potato Leaf Diseases using Convolutional Neural Networks

Applicant Name: 1. Ms. S. Rama Devi

2. Mr. Ch. Anil Kumar

Application ID: 202541005599

Publication Date: 31/01/2025

OPTIMIZED SCHEDULING OF BATTERY ENERGY STORAGE USING INITIAL STATE OF CHARGE AS A CONTROL VARIABLE IN ENERGY MANAGEMENT SYSTEMS

Title: OPTIMIZED SCHEDULING OF BATTERY ENERGY STORAGE USING INITIAL STATE OF CHARGE AS A CONTROL VARIABLE IN ENERGY MANAGEMENT SYSTEMS

Applicant Name: Rampelli Manojkumar

Application ID: 202541009042

Publication Date: 14/02/2025

The intelligent and Eco-Friendly waste management using IoT Technology

Title: The intelligent and Eco-Friendly waste management using IoT Technology

Applicant Name: 1.Banka.Sujatha

2.Dr Anwar Bhasha Pattan

3.Dr. Chava Sunil Kumar

Title: DEEP CONVOLUTION NEURAL NETWORKS MODEL FOR IOT BASED ADAPTIVE TRAFFIC CONTROL SYSTEM

Applicants: Saikumar Tara

Application No: 202341040966

Published on: 18-08-2023

FEMME FORTRESS: A SPECIAL WOMEN'S SAFETY DEVICE WITH EMBEDDED INTELLIGENCE

Title: FEMME FORTRESS: A SPECIAL WOMEN'S SAFETY DEVICE WITH EMBEDDED INTELLIGENCE

Applicants: Thottempudi Pardhu, R Anirudh Reddy, B V Raju Institute of Technology, T. Vasudeva Reddy, K.Sai Prasanna, G.Lahari, G.Shreani, Ch.Sai Teja

Application No: 202341057542

Published on: 09/08/2023

AUTONOMOUS FIRE DETECTION ROBOT SYSTEM FOR INDUSTRIAL ENVIRONMENTS

Title: AUTONOMOUS FIRE DETECTION ROBOT SYSTEM FOR INDUSTRIAL ENVIRONMENTS

Applicants: Thottempudi Pardhu, BVRIT HYDERABAD College of Engineering For Women

Application No: 202341058046

Published on: 09/08/2023

MOUNTABLE DEVICE ON PROSTHETICS

Title: MOUNTABLE DEVICE ON PROSTHETICS

Applicants: Thottempudi Pardhu, Bvrit Hyderabad College Of Engineering For Women.

Application No:391492-001

Published on: 22-09-23

BLOCKCHAIN ENABLED DEVICE FOR COMPUTER NETWORK SAFETY.

Title: BLOCKCHAIN ENABLED DEVICE FOR COMPUTER NETWORK SAFETY.

Applicants: Indrasena Reddy

Application No:384447-001

Published on: 08/07/2023

AN ALGORITHM FOR CYBER THREAT DETECTION AND THE MONITORING OF SECURITY
BASED ON SEMANTIC MACHINE LEARNING

Title: AN ALGORITHM FOR CYBER THREAT DETECTION AND THE MONITORING OF
SECURITY BASED ON SEMANTIC MACHINE LEARNING

Applicants: G. Naga Satish

Application No: 202341036848

Published on: 09/01/2023

A SYSTEM AND APPARATUS FOR ADVANCED ENHANCED NEURAL STYLE TRANSFER
(NST) METHOD LEVERAGING RESNET ARCHITECTURE FOR HIGH FIDELITY IMAGE
SYNTHESIS

Title: A SYSTEM AND APPARATUS FOR ADVANCED ENHANCED NEURAL STYLE TRANSFER
(NST) METHOD LEVERAGING RESNET ARCHITECTURE FOR HIGH FIDELITY IMAGE
SYNTHESIS

Dr. R Suneetha Rani

1. AI(ARTIFICIAL INTELLIGENCE) AN EMERGING PERSPECTIVE IN ENGLISH LANGUAGE LEARNING AND TEACHING

AI(Artificial Intelligence) An Emerging Perspective in English Language Learning and Teaching

Names: Dr. S. Ammani Reddy

Application No: 202241069766

Date of Filing: 01-12-022

2. SYSTEM AND METHOD FOR PREPARING COMPOST FROM FOOD WASTE

System and Method for Preparing Compost from Food Waste

Mr R Priyakanth and Mr N M Sai Krishna

Application No:202241062017 (Idea Patent)

3. A MAGNETO SENSITIVE ASSEMBLY FOR INTERACTIVE ELECTRONIC DEVICES

Title: A MAGNETO SENSITIVE ASSEMBLY FOR INTERACTIVE ELECTRONIC DEVICES

Applicants- Dr. V. Santhosh Kumar, Dr. V. Hindumathi

Application Number – 202241059111

Published – 28/10/2022

4. ARTIFICIAL INTELLIGENCE BASED AUTISM SPECTRUM DISORDER (ASD) MANAGEMENT SYSTEM AND METHOD THEREOF

ARTIFICIAL INTELLIGENCE BASED AUTISM SPECTRUM DISORDER (ASD) MANAGEMENT SYSTEM AND METHOD THEREOF

Name of the Applicant: Dr.P.Kayal

Application No: 202241059063

Publication Date: 28/10/2022

5. A THREAT DETECTION SYSTEM FOR PROTECTING A DEVICE AGAINST A CYBER-ATTACK AND METHOD THEREOF

A Threat Detection System For Protecting A Device Against A Cyber-Attack And Method Thereof

Name of the Applicant: Dr. B. Venkatesh

Application No: 202241057079

Publication Date: 14-10-2022

6. IOT BASED DEVICE AND METHOD FOR DETECTING BABY'S CRY AND REASON BEHIND THE BABY'S CRY

IoT Based Device and Method for Detecting Baby's Cry and Reason Behind the Baby's Cry

Mr R Priyakanth,

Mr N M Sai Krishna,

Mr. G Srinivasa Rao,

Application No: 202241055809

7. SYSTEM AND METHOD FOR MONITORING INTRAVENOUS FLUID LEVEL IN AN INTRAVENOUS BOTTLE

System and Method for Monitoring Intravenous Fluid Level in an Intravenous Bottle

Mr R Priyakanth

Mr N M Sai Krishna,

Dr J Naga Vishnu Vardhan,

Dr K V N Sunitha,

Mr. G Srinivasa Rao, Mr Prasad,

Application No: 202241054645

8. PERFORMANCE OF MULTICARRIER MODULATION TECHNIQUES WITH AND WITHOUT PROPOSED MELS CHANNEL ESTIMATION METHOD.SECTION

Performance of multicarrier modulation techniques with and without proposed MELS channel estimation method.

Ms. Shaik Nilofer

Ms. Manju P

Application no: 202211040825

Published date: 22.07.22

9. A DRONE BASED AUTOMATIC AND AUTONOMOUS THERMAL STUDY ON SENSITIVE AND ISOLATED ELECTRICAL EQUIPMENT

A Drone Based Automatic and Autonomous Thermal Study on Sensitive And Isolated Electrical Equipment

Dr. Rajeswari Viswanathan,

Mr. R. Guruswamy,

Ms. Babita Gupta

Application Number: 202241012635

10. A SERIES CAPACITIVE COMPENSATION TECHNIQUE WITH DESIGN BASED ITERATIVE ALGORITHM FOR MITIGATION OF FERRANTI EFFECT IN EHV AND UHV POWER TRANSMISSION SYSTEMS

Dr. Ch. Sunil Kumar

Application No: 202241027437

Published on: 27-05-2022

11. DYNAMIC TRAFFIC CONTROL SYSTEM BASED ON WIRELESS SENSOR NETWORK

Dynamic Traffic Control System Based On Wireless Sensor Network

VISHNU STUDENT SUCCESS CENTER (VSSC)

Vishnu Student Success Centre (VSSC)

offers a comprehensive range of resources designed to support and enhance all aspects of student development. Our services include personalised tutoring, academic advising, and career counselling, each tailored to individual needs. Additionally, we host a variety of workshops aimed at promoting student wellness, growth, and confidence, ensuring a well-rounded approach to success.

is open to all students within the Sri Vishnu Educational Society. Whether you are a first-year student adjusting to college life, a senior preparing for professional life, or are anywhere in between, our resources and services are designed to meet your unique needs and help you succeed

THE PURSUIT OF HAPPINESS

Discover the power of connections as we enable you to forge meaningful relationships, expand your professional network, and thrive through collaboration.

This is where you unlock your potential and give it wings! Join us and take your personal and academic experience to the next level!

Here are some of the areas we focus on:

We are here to equip you with essential tools for success. Whether you need subject-focused recap sessions or help with improving your writing skills, you'll find our unwavering support right here. Visit us and let us help you achieve your goals!

Here are some of the areas we focus on:

We are here to help you cut out the hustle and bustle of everyday life. Embark with us on a journey of personal and professional growth through mindful practices. Join us today and seize this moment of self-discovery!

Here are some of the areas we focus on:

We want you to chart your career right. Assess your options, take actionable steps, and achieve your professional goals. Join us to start building your future today!

Here are some of the areas we focus on:

Your wellbeing is our priority. From zumba for your limbs to a digital detox for your mind, we have got it all covered. Listen to your needs, stay active, and rejuvenate yourself. Join us to cultivate a balanced and healthy lifestyle!

Here are some of the areas we focus on:

Our care and concern for our students is not limited to their college experience. It comes with a warm farsight for our budding future professionals! Be it corporate readiness or professional etiquettes, our goal is to ensure our students have the essential skills and confidence for professional excellence. Let us help you make a lasting impression!

Here are some of the areas we focus on:

GSAC (Graduate Study Abroad Center)

About GSAC – BVRIT HYDERABAD College of Engineering for Women

Students who aspire to travel abroad for higher studies usually approach consulting firms and spend a lot of their time and money in understanding the destinations, universities and courses abroad.

In an attempt to support such students of SVES institutions, Graduate Study Abroad Center (GSAC) is formed. It guides and gives necessary support to the students and their parents to find the right destination, university and course to fulfil their dream of studying abroad.

Centralized GSAC Cell operates from SVES Head Office having it's SPOCs at each of SVES Institutions.

: GSAC spoc at the respective colleges will guide the students with different courses that they could pursue in different locations depending on the students profile.

: GSAC helps students to get education loans through its associated bankers

: GSAC would help the students with details on the scholarship availability and also support them in applying for the same.

Pre Departure grooming programs

: GSAC conducts orientation programs for the students travelling to different countries. The programs could be on culture and people there, money management abroad, safety and security measures, talking to women there etc.

USA,UK, Australia, Canada, France, Germany, Italy etc.

IIC BVRITH

IIC BVRITH – BVRIT HYDERABAD College of Engineering for Women

“To the Optimist the glass is half full. To the pessimist the glass is half empty. To the engineer the glass is twice as big as it needs to be.”

The Institution's Innovation Council (IIC) is one of the Unique Initiatives of MoE's Innovation Cell, Govt. of India to promote Innovation, Start-up and Entrepreneurship activities. BVRIT HYDERABAD College of Engineering for Women registered for IIC in September 2019 to promote the vision of IIC in terms of Innovation, Start-up and

Entrepreneurship among faculty members and students. Dr K V N Sunitha, Principal of BVRITH is the Vice – President of IIC BVRITH and Dr J Naga Vishnu Vardhan is the convenor. College got star rating of 4.5 out of 5 in IIC 2.0.College was recognized as a mentor Institute. Faculty and Students actively take part in various programs conducted by MIC, IIC and college also conducts the related activities on its own.

EDC (Entrepreneurship Development Cell)

Entrepreneurship Development Cell – EDC – BVRIT HYDERABAD College of Engineering for Women

Entrepreneurship Development Cell – EDC

BVRIT HYDERABAD College of Engineering for Women always aims high not only in providing the best academics but also striving to fulfill the dreams and to increase the confidence levels in students willing to establish their own industry in future. Incubation Centre, established with the above intention came into existence from 21st December 2013 where students were trained from the initial stages of idea generation to the prototype development and later merged into the Entrepreneurship Development Cell (EDC), established on 8

July 2015 to promote entrepreneurship and to improve the entrepreneurial skills among the students. The main objective of EDC is to create entrepreneurial culture in the institute and foster the growth of innovation and entrepreneurship amongst the students and faculty.

Following Events are undertaken by EDC

Expert talk on TRL, MRL, IRL & IP Commercialization and Tech Transfer by Dr. A. Naveen Krishna, Incubation Manager, ALEAP, Hyderabad on 13-02-2026

Orientation on Unicorn by Ms. Padma Alluri and Mr. Ch. Venkata Sai, International Startup Foundation and Idea Pitching Competition was organized on 23-07-2025.

Entrepreneurial Success Journey by Ms. Valli C Shobhana, Founder, Guarded Growth, Zen IP is organized on 02-07-2025.

Le-Startup Confluence – An Expert talk by Ms. Manushi K Shah, Partner, La Mintage Legal and Dr. Moksha Kalyana Ram Abhiramula, Founder, La Mintage Legal on 26

An Industrial Visit with students was planned to T-Works, Hyderabad on 13

FALATHON – LET’S FAIL AND LEARN, (24- Hour Ideathon) was organized on 06-07 March, 2025 exclusively for B.Tech I Year Students.

A Startup RAKSHA HIGIENE Pvt Ltd has been incorporated by Ms. Rishitha Madeela (IV Yr ECE) on 19/03/2025 which offers bio degradable sanitary pads.

Student Faculty Startup IGNISTIQ SERVICES LLP has been registered by Dr. Ravuri Viswanadham (Associate Professor- ECE & IIC Convenor) and Ms. K.Sadhana (II Yr CSE) on 19/02/2025 which offers SASTRIKART an online platform access to religious and spiritual services online and in person.

Inauguration of IGNITE Certification Program -Becoming an Effective Entrepreneur, A customized program for students to learn Entrepreneurship Course in collaboration with Directorate of Entrepreneurship, Innovation and Startups , JNTUH & Wadhwani Foundation on 16

PIVOT- Change is Constant – A 24 Hr MAKETHON organized by EDC Cell on 30-9-2024 to 01-10-2024.

A Session on “Idea To Startup: Road Map for Success by Dr.Hafeez Basha Mentor, WE-HUB, Hyderabad on 23

An Entrepreneurship Awareness Programme (EAP)

in collaboration with MSME-Development and Facilitation Office, Balanagar, Hyderabad was organised on 24th April 2024.

FALATHON – LET’S FAIL AND LEARN, (24- Hour Ideathon) was organized on 01-02 December, 2023 exclusively for B.Tech I Year Students.

A Guest Lecture on “Accelerating Student Entrepreneurs in Electronics, IT and Technology Sectors through Incubation Centers” by Dr. Zahoorullah.S, MD, Founder, Dr Z Labs on 20th November 2023.

14 Students and 3 Faculty Members have attended a “Workshop on Design Thinking” by Prof. Mike Testani, Binghamton University at VEDIC, Aziz Nagar on 19-20 October 2023.

An Event “IGNITE- Innovation in You” event is organized on the occasion of National Innovation Day on 17 October 2023.

An Internal Evaluation of Smart India Hackathon (SIH) 2023 is organised on 23 September 2023.

An orientation session to 2023 batch first year about the Entrepreneurship Development Cell (EDC) & Vishnu Start-up and Accelerator Centre for women (V-SAW) was conducted on 02 September 2023.

A Field Visit by the students and faculty members on a session on Entrepreneurship to WE-HUB Hyderabad on 30 August 2023.

MSME Idea Hackathon 3.0 (Women) Internal Evaluation was organised on 26

A Guest Lecture on “Business Model Canvas” by Dr. M.Kaushik, CEO, Visva TBI, Bhimavaram was organized on 05 July 2023.

An Orientation Session on “Innovation and Entrepreneurship Ecosystem” by Dr. M. Kaushik, CEO, Visva TBI, Bhimavaram was organized on 28 June 2023.

First Faculty-Student Start-up “INVIU SYSTEMS LLP” by BVRIT HYDERABAD College of Engineering for Women was inaugurated on 05 June 2023.

Idea Pitching Competition – Ideathon was organised by EDC, V-SAW BVRITH on 22

Students Showcased the Prototypes and won Rs.10,000 cash prize in the LAB TO MARKET CONCLAVE, An IITM PALS Initiative – held at IIT MADRAS on 18

Seven (7) students were selected for the Paid Internship with TiE Hyderabad from 19 September to 31

Idea Pitching Competition for the MSME Idea Hackathon 2.0 organised by EDC, V-SAW BVRITH on 12

Students Participated in the TRANSFORMERS 2022 an Idea Pitching Competition by TAL SCOUTS International and won First Prize held on 10

A Guest Lecture on “You are only Entitled to the action, never to its fruits – Learnings from Bhagavad-Gita & Meditation” by Ms. Sailaja Simma, Founder, Omparampara was held on 21-22 November 2022.

A Guest Lecture on “Creativity & Entrepreneurship in Grassroots” by Brig. P. Ganesam, Founder & CEO, Palle Srujana, was held on 9

“IGNITE- Innovation in You”- An Idea Pitching competition is organized on 15

October 2022 on the occasion of National Innovation Day.

Fifty Four (54) IUCEE Students Participated in the “Workshop on Ideation and Design Thinking” at WEHUB in collaboration with EDC,V-SAW BVRITHyderabad on 29th August 2022.

Faculty Members of EDC and IIC- Convenor attended the Institute Innovation Cell (IIC) – Regional Meet at Sreenidhi Institute of Science and Technology on 12th August 2022.

Fifty Four (54) IUCEE Students Participated in the “Workshop on Design Thinking” at Hyderabad Institute of Technology and Management (HITAM) on 06th July 2022.

Workshop A Session on – WE Alpha program organized by WEHUB Hyderabad in collaboration with EDC,V-SAW BVRITH on 21st May 2022.

Workshop for Faculty Members of BVRITH on “Employee Transformation” – by Mr. M. Sant Swaroop Sharma, Former Vice-President, Tata Steel, Jamshedpur organized by EDC,V-SAW & IIC BVRITH on 23rd April 2022.

Idea Pitching in “WE Alpha- WE Program” organized by WEHUB Hyderabad in collaboration with EDC,V-SAW BVRITH on 13th April 2022.

Idea Pitching Competition in collaboration with MSME organised by EDC, V-SAW BVRITH on 07th April 2022.

Student Entrepreneurship Programme in Collaboration with WEHUB (Govt. of Telangana) in collaboration with EDC, V-SAW BVRITH on 22 January 2022.

Orientation for freshman on ED Cell & V-SAW BVRITH on 07-08 December 2021.

Smart Idea Challenge Ideation Competition in Student Level National Tech Fest MEDHANVESH 2021 on 25-26 November 2021.

Seven (07) III Year Students from different branches are undergoing the paid internship offered by TiE Hyderabad from 02 Sep – 06 October 2021.

Students participated in Transformers 2021organised by TAL SCOUTS International & ED Cell V- SAW BVRITH on 02 October 2021.

An Idea Pitching Competition conducted on the eve of National Engineer’s Day on 15 September 2021.

Innovation Ambassador training (Advanced Level, Total 16 Sessions of 30 contact hours) conducted by MoE’s Innovation Cell & AICTE during the period from 30th June – 30th July 2021 in online mode which was attended by select BVRITH Faculty Members.

13 Days Workshop on Growing Entrepreneurial Mindset (GEM) by Prof. Sridhar Condoor, Professor, St. Louis University, USA for select Faculty Members of BVRITH from 12 – 26 July 2021.

Orientation Session on Entrepreneurship by Ms. T. Vasantha Mahalakshmi, ChiefMentor, V-SAW, BVRITH on 19 June 2021.

CEO- Student Interaction by Mr. Hemanth Satyanarayana, Founder & CEO, Imagine, San Jose, USA on 08 June 2021.

CEO- Student Interaction by Mr. A. Gopi Raja, Founder & CEO, Fopple Technologies, Vijayawada on 29 May 2021

Guest Lecture on “Transforming Ideas into Realities” conducted on 01 May 2021.

Smart Idea Challenge – An Idea Pitching Competition on the eve of MEDHANVESH- 2021, A National Level Students Tech Fest conducted on 30 January 2021

Constitution Day and Awareness Programme on National Innovation and Start Up Policy (NISIP) was organised on 26 November 2021.

National Innovation Day – Expert Talk on “Start up Culture in India & How students ideas turn into Reality” organised on 05 October 2020.

A National Level Awareness programme of Ministry of Small and Medium Enterprises, National Innovation Day – Samasya 360

a Contest to identify and present an in-depth understanding of different problems prevailing in the society / Industry /any other problem domain organised on 15 October 2020, (MSME), Govt. of India organised on 26 February 2020.

A webinar on Intellectual Property and Innovation Management for Start ups and MSME's organised on 15 June 2020.

A 36Hr Hackathon – WE ENABLE with the theme of technology for differently abled conducted on 24

January 2020 in association with J-HUB and IIC BVRITH.

A One day workshop o “Problem Identification and Validation” is conducted on 29

A two week FDP on “Entrepreneurship” in association with Centre for Entrepreneurship Development (CED), ALEAP, Hyderabad and sponsored by NSTEDB during 18

A three day Entrepreneurship Awareness Camp sponsored by NSTEDB is organized during 7

A three day Entrepreneurship Awareness Camp sponsored by NSTEDB is organized during 17

Expert talk on entrepreneurship on 8

International Conference on Entrepreneurship and Technology – 2018 (I-CET – 2018)in association with American Business School, Paris on 3

Smart Idea Challenge – An idea pitching competition on the eve of Medhanvesh –2018, A National Level Students Tech Fest on 24

Entrepreneurship Awareness Camp during 30
October to 1

November, 2017 in association with EDC, JNTUH, supported by NSTEDB.

One day workshop on Social Entrepreneurship by Dr. Hafeez Basha, CTO, BRCORP on 21

A two day colloquium on “Inspiring Young Engineers Aspiring for Startup” with the support of IEEE student branch, on 29

, July, 2016.

Student Affairs Council (SAC)

Student Affairs Council (SAC) – BVRIT HYDERABAD College of Engineering for Women

Student Affairs Council (SAC)

BVRIT Hyderabad College of Engineering for Women

, under Sri Vishnu Educational Society (SVES), is a landmark student-governed body established in 2025. It is the only council of its kind across the entire SVES family, making BVRITHCEW the first institution to introduce a formal, student-elected representative system. The SAC was founded through the vision, encouragement, and unwavering support of our beloved Principal, Dr. K.V.N. Sunitha, whose strong belief in student empowerment and leadership cultivation made this initiative possible.

IKS and NEP

IKS and NEP – BVRIT HYDERABAD College of Engineering for Women

IKS and NEP

11. Student Activities & Clubs

NSS Club

NSS Club – BVRIT HYDERABAD College of Engineering for Women

The motto of National Service Scheme is “

NOT ME BUT YOU

“. This expresses the essence of democratic living and up holds the need for selfless service and appreciation of the other persons point of view and also to show consideration for fellow human beings. Its pivotal prospects is the welfare of society as whole.

Development of the personality of students through community service.

Objectives of NSS

To work with/among people

To engage in creative and constructive social action

To enhance the knowledge of individual and the community

To gain skill in exercise of democratic leadership

To gain skill in program organizing and development to enhance self-employment

To bridge the connectivity between the educated and the uneducated

To promote the will to serve the weaker section of the community

FAITH OF NSS

When you give people a share of responsibility in sharpening their lives you increase their self-confidence, without they are nothing. When they have faith in themselves, they are prepared to take on even the most difficult problems and solve them. In order to generate that faith, we must first demonstrate that we have faith in the ability of the people to undertake nation building activities

NSS UNIT- BVRITH for the People

Everyone has a purpose in life and a unique talent to give to others. And when we blend this unique talent with service to others, we experience the ecstasy and exultation of our own spirit, which is the ultimate goal of all goals to give happiness to other needy people.

“BVRITH for the People” established in the year 2013 under Jawaharlal Nehru Technological University, Hyderabad. NSS provide opportunity to the students to actively contribute their services for the cause of community and the nation, thus helping them develop their personality and enhance to attain the traits of a leader of the nation. Our NSS team takes up many activities like – Daan-Utsav, Blood donation, Wall of Kindness, Teaching at government school, volunteering for various social and Environment-friendly activities. The aim behind the program of

is to provide help to everyone who needs it, to enhance and bring a better change in the standard of living and the way they lead their life with dignity. National Service Scheme

is in that way beneficial to both our students as well as the society; a win-win life in the society.

Rotaract Club

Rotaract Club – BVRIT HYDERABAD College of Engineering for Women

The “Rotaract Club of BVRIT HYDERABAD College of Engineering for Women” does social service. The

exchanges ideas with leaders in the community, develops leadership and professional skills, and has fun through service. It is meant for young people who are aged 18 and older. It is a part of “Rotary Club International”, a global network of 1.4 million people with 46,000+ clubs.

Sports Club

Sports Club – BVRIT HYDERABAD College of Engineering for Women

Sports play a great role in our life as it keeps us healthy, wealthy and active. We can have a healthy mind only when we have a healthy body. Great achievements come our way when we maintain our physical and mental well-being. It brings physical and mental fitness. To live a relaxed and comfort life we need a sound mind and a sound body.

As education gives name, fame and money, sports gives us sound mind and sound body. With this intention BVRITH provides sports and games.

Champions of BVRITH participated in different events:

2015 South Zone Shuttle Badminton and in 2016 all India shuttle badminton event.

Main features of sports complex

200 Meters Running Track

Shuttle Badminton Courts-2

CSI

CSI – BVRIT HYDERABAD College of Engineering for Women

CSI SB @ BVRITH

Computer Society of India (CSI)

is a society for enthusiasts who are associated with computer technology. Today the CSI takes is the largest and most professionally managed association for IT professionals in India. The purposes of the Society are scientific and educational directed towards the advancement of the theory and practice of computer science and IT.

The Computer Society of India is a non-profit professional meet to exchange views and information learn and share ideas. The Society functions under the guidance of an Executive Committee.

BVRIT HYDERABAD College of Engineering for Women CSI Student Branch was established in the year 2013 with Institute

Membership No: M10017

Valid up to 30

It was renewed with membership number 5024220017, valid up to 6th June 2024, and again renewed with the same membership number, valid up to 5th June 2029. Under CSI, Information Technology

Computer Science & Engineering

department regularly organizes workshops, seminars, main project, mini project, and hobby project exhibition; blind coding, paper presentations skill Test, Java skill Test etc., and technical talks for the benefit of professionals and conducting continuing education and professional development programs for students.

BEST CSI Supporting Principal Award

IEEE

IEEE – BVRIT HYDERABAD College of Engineering for Women

IEEE @ BVRITH - UDBHAVA

Institute of Electrical and Electronics Engineers)

IEEE SB @ BVRITH with a logo name “UDBHAVA” is started on 15th May, 2014 with approved branch code STB 15591 and School Code 60097410 under the guidance of Honorable Adviser Dr KVN Sunitha, Founder Principal of BVRIT HYDERABAD College Of Engineering for Women, with its vision and mission as follows:

To explore and learn technological upgrades that happens globally through which to provide contemporary solutions.

Students can upgrade themselves to become potential in the technological world by becoming the member of professional bodies and then by participating in various competitions, seminars & workshops that are monitored by professionals.

IEEE @ BVRITH - UDBHAVA

IEEE CIS/GRSS JOINT CHAPTER

GRSS-Geo-Code-SBC15591

IEEE CIS/GRSS Joint Chapter is started on 08th Jan, 2019 under the guidance of Honorable Adviser Dr KVN Sunitha, Founder Principal of BVRIT HYDERABAD College Of Engineering for Women, with its vision and mission as follows:

To be forefront in developing skills and leadership qualities through creation of ample opportunities for sharing knowledge, collaboration and networking for better future.

To promote computational intelligence and related technologies in the areas of Geo-Science and Remote Sensing at Hyderabad.

ACM

ACM – BVRIT HYDERABAD College of Engineering for Women

Association for Computing Machinery - ACM

What is ACM?

What are Chapters in ACM?

Chapters are the “local neighborhoods” of ACM. Professional and Student chapters worldwide serve as nodes of activity for ACM members and the computing community at large, offering seminars, lectures, and the opportunity to meet peers and experts in many fields of interest.

What ACM-W Student Chapter?

Student Chapters provide unique opportunities for networking, mentoring and bonding over common interests. They provide support both within the student community and to local communities outside the institution.

Benefits of ACM-W:

Unlimited access to ACM’s collection of thousands of online books, courses, and training ACM Digital Library, with full-text articles from all ACM publications and bibliographic data from the major publishers in computing.

ACM’s online magazine for practicing software engineers, is written by engineers for engineers, and focuses on the technical problems and challenges that loom ahead

Discounts on subscriptions to ACM journals, magazines, books, and conferences.

Special discounts and access to valuable products and services through the ACM’s

Insurance and Discounts and Special Offers Programs.

HYDERABAD College of Engineering for Women

was established in the year 2019, regularly organizes workshops, seminars, Disguised

Speakers Programs, Eminent Speaker Programs, Hour of Code, Annual Event,

Hackathons, Engineer’s Day, Innovation Day, Coding Contents, Design Thinking Events and Weekly events.

ACM Institutional Membership

ACM Faculty Members

Plot No. 8-5/4,

Rajiv Gandhi Nagar Colony, Nizampet Rd,

info@bvrithyderabad.edu.in | principal@bvrithyderabad.edu.in

SRI VISHNU EDUCATIONAL SOCIETY

Anjani Vishnu Centre,

Plot No.7 & 8, Ist Floor,

Nagarjuna Hills, Punjagutta,

Hyderabad – 500 082.

14. Addendum — Gap-Fill Content Merged from Live Website

The following section was added after a cross-check of this knowledge base against the live website (<https://bvrithyderabad.edu.in/>) as of July 2026. It contains verified information on topics that existed on the site but were not captured in the original document (Sections 1-13 above). Nothing in Sections 1-13 has been altered; this addendum supplements them.

14.1 Governance & Statutory Committees

Governing Body

BVRITH's Governing Body comprises distinguished individuals overseeing institutional direction. Members include: Sri K.V. Vishnu Raju (Chairman, Sri Vishnu Educational Society); Sri Ravichandran Rajagopal (Vice Chairman, SVES); Sri K. Adithya Vissam (Secretary, SVES); Dr. U.B. Desai (Chancellor, Anurag University); Ms. Heena Raval (Director, Google); Dr. A. Aruna Kumari (Professor of ME & Controller of Examinations, JNTUH — Member from JNTUH); Dr. C. Srinath (Joint Director, Technical Education, Telangana); Dr. Vasudeva Varma (Professor, IIT Hyderabad); and Dr. A. Govardhan (Professor of CSE). The panel comprises people who care for the cause of women engineers, and works to make BVRITH a great success.

Academic & Administrative Committees

The website separately lists the following governance and compliance committees, each with a dedicated page (member lists are published as downloadable documents/PDFs rather than on-page text): College Academic Council, College Academic Committee, Finance Committee, Examination Committee, IQAC Committee, and an HR/Administrative Manual and Code of Ethics and Conduct for Students.

Statutory / Compliance Committees

As required under AICTE/UGC norms, BVRITH maintains dedicated committees for: Disciplinary Committee; SC and ST Committee; Sexual Harassment Committee (Internal Complaints Committee / ICC, per UGC 2015 regulations); Ombudsperson; Anti-Ragging Committee; Grievance Redressal Committee; and Institution Industry Cell. These pages are reachable from the site's 'Governance' and 'Academic & Administrative Committees' menus. For queries relating to any of these committees, students/parents can write to info@bvrithyderabad.edu.in or principal@bvrithyderabad.edu.in.

14.2 Approvals & Statutory Documents

BVRITH publishes the following statutory approval and accreditation documents on its website (under the 'Approvals' menu):

- UGC Autonomous Conferment Letter — autonomous status granted from AY 2023-24 for 10 years.
- JNTUH Autonomous Conferment Letter.
- JNTUH Affiliation Orders (published on a rolling basis, most recently covering till 2025-2026).

- AICTE Extension of Approval (EOA), covering 2012-2026.
- NBA Accreditation Letter, covering the 2025-28 cycle (renewing the original 2018 NBA accreditation for CSE, ECE, EEE and, historically, IT).
- NAAC — Grade 'A' (CGPA 3.23), awarded 2020. Annual Quality Assurance Reports (AQARs) are published for 2019-20, 2020-21, 2021-22 and 2022-23, plus the NAAC Certificate itself.
- Unnath Bharat Abhiyan (UBA) participation document.
- ARIIA (Atal Ranking of Institutions on Innovation Achievements) 2020-21 report — BVRITH was placed in Band B (26th-50th).
- AISHE (All India Survey on Higher Education) Certificate for A.Y. 2023-24.
- NIRF ranking pages — BVRITH was ranked for three consecutive years, 2019, 2020 and 2021.
- NISP (Institution's Innovation & Startup Policy) Policy Document, and a separate Innovation and Entrepreneurship (I&E) Policy document.
- Mandatory Disclosure document (updated annually; latest edition dated 2026), which includes items such as the full Governing Body member list, fee structure, faculty details and infrastructure statistics as required by AICTE.

14.3 Postgraduate & Ph.D Programme Pages (Detail)

M.Tech in Computer Science and Engineering

Offered by the Department of Computer Science & Engineering, this M.Tech programme began in 2024 with an annual intake of 12 students.

M.Tech in Data Sciences

A 2-year M.Tech programme offered under the Department of Information Technology, with an annual intake of 18 students, running since 2020.

M.Tech in VLSI Design

Offered by the Department of Electronics & Communication Engineering, this programme focuses on the design, development and optimization of Very Large Scale Integration (VLSI) systems — covering semiconductor devices, IC fabrication, CMOS design, ASIC/SoC design flows and modern EDA tools. It was initiated in Academic Year 2024-25 with an annual intake of 12 students.

Ph.D Research Centres

BVRITH operates recognized Ph.D research centres in two departments: ECE (VLSI-Communications) and CSE. A dedicated page also lists faculty approved as Ph.D research supervisors. (Note: this is distinct from the 'Ph.D Awarded' listing of scholars who have already completed their doctorate, which is covered in Section 9 above.)

14.4 Differentiators — Previously Uncovered Centres/Initiatives

Vishnu Japan Outreach Centre (VJOC)

Established under SVES at VEDIC, VJOC is a hub for Indo-Japan academic, research, industrial and cultural collaboration — building partnerships with Japanese universities, industries and research institutes, and enabling joint research, dual-degree programmes, faculty-student exchanges, internships and cultural immersion for SVES students and faculty.

VEDIC (Vishnu Educational Development and Innovation Centre)

A residential 'Lake View' campus in Hyderabad set up as a transformational platform for SVES institutions, focused on educational research, active-learning pedagogy, and training programmes for both students and faculty (e.g., NASSCOM Train-the-Trainer sessions are conducted here).

Counselling by Psychologist

BVRITH provides professional counselling and psychological assistance for all students and staff to support mental health and emotional wellbeing, delivered by a resident counselling psychologist (Ms. Rajani G) in a private, confidential setting.

WISE — Women in Software Engineering

A collaboration with TalentSprint offering a parallel curriculum (alongside the regular academic programme) to make women engineering students industry-ready and proficient in the latest technologies for the global tech industry.

ATL — Assistive Technology Lab

An initiative under WISE/CSE aimed at designing technology-driven solutions for people with disabilities (e.g., devices/games for children with autism); ATL projects have received external grants including support from EPICS in IEEE.

IoT Maker Space

An initiative of the Telangana Academy for Skill and Knowledge (TASK) and the Hyderabad Software Enterprises Association (HYSEA), made available to engineering colleges including BVRITH to build hands-on IoT project skills.

Drone Technology Laboratory

Set up to give students hands-on exposure to drone technology, an emerging field with applications in medicine/postal delivery, agriculture, defence and more.

SDG (Sustainable Development Goals) Initiatives

BVRITH has undertaken multiple eco-friendly initiatives aligned with the UN's 17 SDGs, including: a 34 kWp grid-tied rooftop solar PV system (~Rs.17 lakh project, under the Jawaharlal Nehru National Solar Mission via TSREDCO); a 60,000-litres/day Sewage Water Treatment Plant using Sequencing Batch Reactor (SBR) technology for recycled water reuse in gardening/cleaning; rainwater harvesting pits; a comprehensive waste-management and

food-waste-to-manure composting system; a Vehicle Design Lab for designing/testing electric vehicles; a campus fleet of electric vehicles, bikes and bicycles for internal transport; and an energy-efficient, naturally lit Library building (glass-fronted façade, lit by daylight roughly 10 AM-4 PM without artificial lighting).

NASSCOM Partnership

SVES/BVRITH has executed MoUs with NASSCOM (National Association of Software and Service Companies), including NASSCOM Sector Skills Council training programmes for both students and faculty (Train-the-Trainer model at VEDIC) — covering Qualification Packs such as Associate Analytics and Security Analyst.

Foreign Languages (German & French)

Value-added foreign language certification courses (including a German Language Certification) are offered alongside the regular curriculum to improve students' global employability.

14.5 Student Clubs & Professional Chapters — Previously Uncovered

Nature Club

Aims to build appreciation of nature among students and encourages participation in a variety of conservation initiatives.

Samskrithi Foundation

Works towards nation-building by promoting and nurturing Indian culture, traditions and quality of life through outreach programmes; aims to be a National Resource Centre for Culture.

Women Safety Club

A dedicated club focused on women's safety awareness and initiatives on campus.

Toastmasters Club

Chartered on 19 June 2017 with 32 members; has since conducted 230+ meetings. Members develop communication and leadership skills, meeting weekly on Saturdays (2-4 PM). Recipient of the Proactive Club Award and Distinguished Club Award; alumni have been placed at Capgemini, Microsoft, Virtusa, Tech Mahindra and others.

Meraki — A Language Club

A Greek-word-inspired club ('to do something with soul, creativity or love') that builds language, communication, leadership and time-management skills through fun learning techniques.

Literary Club

Runs literary events and maintains a vibrant reading/writing culture on campus (also referenced as 'Page Turners' readers' club in some institutional reports).

Wall Magazine — Magnum Opus

The college's wall magazine, showcasing students' creative writing and artwork.

Artistry Club

A creative-arts club under the 'Kalanjali' umbrella supporting student artwork and design.

Saarang (Cultural Club / Jhankaar)

Aims to mould students' personalities and exposes them to a wide range of cultural events year-round, developing leadership, teamwork and organizational skills.

Vishnu Institute of Film Music — Guitar

A music-focused club/institute offering guitar and film-music training under the Jhankaar Club umbrella.

Cope BVRITH

A student-led community dedicated to improving youth mental health awareness, with the vision of a 'stigma-free world.'

Yoga

Regular yoga sessions/club activities are offered to promote physical and mental wellbeing among students.

Bhagvathgita Club

A club exploring the philosophical and spiritual teachings of the Bhagavad Gita.

FOSS Club

Promotes Free and Open-Source Software — encouraging students to use, study, copy and modify open-source software, and highlighting benefits like cost reduction, security and user control.

JASHN — Film & Media Club

The official film and media club, bringing together students interested in filmmaking, acting, direction, scriptwriting, videography, photography and editing to produce content for college events; organized an inter-college short film competition and covered events like New Year and Christmas celebrations.

Deeptha (EEE Department Association)

The Technical Association of the EEE department, established 20 March 2014, conducting poster presentations, workshops, and technical events (extempore, debate, product launch, group discussions, circuit debugging).

Electro Elitz (ECE Department Association)

The Technical Association of the ECE department, inaugurated 24 September 2013 by Principal Dr. K.V.N. Sunitha and Prof. N. Mangala Gouri (JNTUH); all II/III/IV-year ECE students are members.

TechBlitz (CSE & IT Department Association)

Formed by the amalgamation of CSE and IT departments in 2013, starting with 125 student and faculty members; hosts technical events (group discussions, tech demos, seminars, programming/gaming contests) and social events (workshops for school students, freshers' welcomes, farewells).

SWE — Society of Women Engineers Chapter

A campus chapter of the global nonprofit Society of Women Engineers (founded 1950), supporting women in engineering/technology through scholarships, mentorship, professional development and networking.

ISTE Student Chapter

Inaugurated in 2013 (AP-175, Institute Membership IM2278); conducts paper/poster presentations, technical quizzes, guest lectures and workshops across departments.

IETE Student Chapter

The Institution of Electronics and Telecommunication Engineers student chapter, supporting technical activities in electronics and communication.

IEI Student Chapter

Institution of Engineers (India) chapter — IEI is India's national multi-disciplinary engineering professional body, with 1M+ members across 125 centres/chapters, and is credited with pioneering non-formal engineering education.

14.6 Information, News & Alumni Pages — Previously Uncovered

Vishnu Era

A society-wide newsletter/publication showcasing activities across all SVES campuses, capturing achievements and accomplishments of the various colleges and schools under the society.

Technical Magazine — 'B-SMART'

BVRITH's biannual departmental technical magazine; a dedicated student Editorial Board filters and compiles submitted articles for each issue.

BVRITNext

A dedicated institutional information page/initiative (linked from the 'Discover > Information' menu).

Print Media Coverage

A page compiling newspaper and print-media coverage of BVRITH's achievements and events.

Holidays

A published list of the college's annual holiday calendar.

Academic Calendars

Year-wise academic calendars are published as downloadable PDFs (e.g., College Academic Calendar 2024-25) covering semester start/end dates, exam schedules, and important academic milestones.

Happenings at BVRITH (News Feed)

A regularly updated news/blog feed covering recent achievements, events, MoUs, student wins (e.g., innovation-cell grants, hackathon results) and campus happenings.

Awards & Recognitions (standalone page)

A dedicated page cataloguing the institution's awards and recognitions over the years, beyond what is summarized in the About section.

Alumni (standalone page, distinct from 'Alumni Speak')

In addition to the 'Alumni Speak' testimonials page, BVRITH maintains a broader Alumni Network (via a dedicated SVES Global Alumni Network portal), listing graduates by branch/year and alumni mentorship contributions to placement training. The college-level SPOC for accreditation/alumni matters is Prof. Murali Nath R.S. (CSE & Professor I/C Accreditations).

14.7 Contact Details — Additions

The original Contact Us section (Section 13) omitted the following details published on the live site:

- Main phone number: +91 40 4241 7773.
- Admissions contact: Dr. J. Manoj Kumar, Professor i/c Admissions — 92471 64714.
- Admission codes: EAMCET | ECET College Code: BVRW. PGECET Code: BVRW1.
- Social media: LinkedIn (linkedin.com/school/bvrit-hyderabad), Instagram (@bvrit_hyderabad_), YouTube (@BvritHyderabadWomen), Facebook (facebook.com/BvritHyderabad), X/Twitter (@bvrit Hyderabad).
- Footer 'Quick Links' also include: Mandatory Disclosure, RTI Undertaking, Student Handbook, Online (fee) Verification portal, and a general Downloads page.

14.8 Sri Vishnu Educational Society — Campus Cluster Clarification

The original document's SVES section lists the affiliated institutions but does not group them by the four named campus clusters used on the live site: Green Meadows Campus (Bhimavaram) — Shri Vishnu Engineering College for Women, Vishnu Institute of Technology, Smt. B Seetha Polytechnic College, Vishnu Dental College & Hospital, Shri Vishnu College of Pharmacy, B.V. Raju Institute of Computer Education, Vishnu School (Bhimavaram); Orchard Park Campus (Narsapur) — B V Raju Institute of Technology, Vishnu Institute of Pharmaceutical Education and Research (VIPER — not listed in the original document), Vishnu High School (Narsapur); Valley Vista Campus (Hyderabad) — BVRIT Hyderabad College of Engineering for Women (this institution); and Lake View Campus (Hyderabad) — VEDIC.

14.9 EAMCET / EAPCET Rank Cut-Offs (Category-wise Closing Ranks)

The live 'EAMCET Ranks' page ([admission/eamcet-ranks/](#)) itself carries no on-page text -- it links out to a downloadable Rank Analysis PDF. The most recent published document is the 'I-Phase Rank Analysis 2023-24', giving category-wise BEGIN (opening) and END (closing) ranks after Phase I counselling, per branch. These figures are reproduced below as the authoritative reference for what rank a student needs to be admitted.

CSE (Computer Science and Engineering) -- After Phase I (2023-24)

OC: 2625-8908; EWS: 4967-9228; OC-CAP: 25013-40143; OC-PHV: 8902 (E); OC-PHO: 8425 (E); BC-A: 10839-25627; BC-A CAP: 11030 (E); BC-B: 5971-12724; BC-B PHO: 12751 (E); BC-C: 38314 (E); BC-D: 9453-13376; BC-D CAP: (E); BC-E: 18288-26216; SC: 15196-40874; SC-PHH: 40704 (E); ST: 8178-55630

ECE (Electronics and Communication Engineering) -- After Phase I (2023-24)

OC: 7354-20058; EWS: 10761-19084; OC-PHO: 19634 (E); OC-CAP: 56298 (E); BC-A: 34452-50001; BC-A PHV: 50824 (E); BC-B: 9536-29971; BC-C: (E); BC-D: 21188-27554; BC-D CAP: 146420 (E); BC-E: 27190-72995; SC: 54765-120130; SC-PHH: (E); ST: 62053-134701

IT (Information Technology) -- After Phase I (2023-24)

OC: 6667-12927; EWS: 9912-12748; OC-PHH: 12439 (E); OC-PHV: (E); OC-CAP: 68038 (E); BC-A: 18200-32858; BC-B CAP: (E); BC-B: 8893-18112; BC-C: 91580 (E); BC-D: 15337-20709; BC-D PHH: (E); BC-E: 27347-30454; SC: 48977-69852; SC-CAP: 54237 (E); ST: 65707-105478

EEE (Electrical and Electronics Engineering) -- After Phase I (2023-24)

OC: 20339-39175; EWS: 37059-54000; OC-PHV: 37042 (E); BC-A: 101972-124316; BC-B: 49074-67573; BC-B PHH: 69822 (E); BC-C: 56473 (E); BC-D: 46369-56073; BC-E: 139834 (E); SC: 79482-153183; ST-CAP: 146875 (E); ST: 64592-149587

CSE (AI&ML) -- After Phase I (2023-24)

OC: 4632-9825; EWS: 5677-9689; OC-PHH: 9812 (E); BC-A: 19841-28341; BC-A PHO: (E); BC-B: 8606-13826; BC-C: 18406 (E); BC-D: 7311-14896; BC-E: 15430-25142; SC: 35790-42744; SC-CAP: (E); ST: 60915-79793

Format note: figures shown are 'Opening Rank - Closing Rank' per category after Phase I of TS EAMCET/EAPCET counselling for the 2023-24 admission cycle (the latest cycle for which the college has published its own Rank Analysis PDF). A dash in the opening-rank position means only a closing rank was recorded for that category-subgroup in that phase. Source PDF: [bvrthyderabad.edu.in/wp-content/uploads/2024/05/I-Phase-Rank-Analysis-2023-24.pdf](#). For the most current year's cut-offs, prospective applicants should check the 'Rank Analysis of TG EAPCET 2025-26' link on the same Admissions > EAMCET Ranks page, as the college updates this PDF each admission cycle.

14.10 Fee Details (Full Table, All Published Batches)

The live 'Fee Details' page displays batch-wise fee tables covering Tuition Fee, NBA Fee, and JNTUH/Miscellaneous Fee (all amounts in Indian Rupees, per year). The original document's Fee Details section only carried the page title and a stray 'JNTUH/Misc. Fee' fragment; the complete figures are below.

2025 Batch

CSE: Tuition Fee Rs.120000 | NBA Fee Rs.3000 | JNTUH/Misc. Fee Rs.5500
ECE: Tuition Fee Rs.120000 | NBA Fee Rs.3000 | JNTUH/Misc. Fee Rs.5500
EEE: Tuition Fee Rs.120000 | NBA Fee Rs.3000 | JNTUH/Misc. Fee Rs.5500
CSM (AI&ML): Tuition Fee Rs.120000 | NBA Fee Rs.- | JNTUH/Misc. Fee Rs.5500

2024 Batch

CSE: Tuition Fee Rs.120000 | NBA Fee Rs.3000 | JNTUH/Misc. Fee Rs.5500
ECE: Tuition Fee Rs.120000 | NBA Fee Rs.3000 | JNTUH/Misc. Fee Rs.5500
EEE: Tuition Fee Rs.120000 | NBA Fee Rs.3000 | JNTUH/Misc. Fee Rs.5500
CSM (AI&ML): Tuition Fee Rs.120000 | NBA Fee Rs.- | JNTUH/Misc. Fee Rs.5500

2023 Batch

CSE: Tuition Fee Rs.120000 | NBA Fee Rs.3000 | JNTUH/Misc. Fee Rs.5500
ECE: Tuition Fee Rs.120000 | NBA Fee Rs.3000 | JNTUH/Misc. Fee Rs.5500
IT: Tuition Fee Rs.120000 | NBA Fee Rs.3000 | JNTUH/Misc. Fee Rs.5500
EEE: Tuition Fee Rs.120000 | NBA Fee Rs.3000 | JNTUH/Misc. Fee Rs.5500
CSM (AI&ML): Tuition Fee Rs.120000 | NBA Fee Rs.- | JNTUH/Misc. Fee Rs.5500

2022 Batch

CSE: Tuition Fee Rs.120000 | NBA Fee Rs.3000 | JNTUH/Misc. Fee Rs.2500
ECE: Tuition Fee Rs.120000 | NBA Fee Rs.3000 | JNTUH/Misc. Fee Rs.2500
IT: Tuition Fee Rs.120000 | NBA Fee Rs.3000 | JNTUH/Misc. Fee Rs.2500
EEE: Tuition Fee Rs.120000 | NBA Fee Rs.3000 | JNTUH/Misc. Fee Rs.2500
CSM (AI&ML): Tuition Fee Rs.120000 | NBA Fee Rs.- | JNTUH/Misc. Fee Rs.2500

2021 Batch

CSE: Tuition Fee Rs.90000 | NBA Fee Rs.3000 | JNTUH/Misc. Fee Rs.5500
ECE: Tuition Fee Rs.90000 | NBA Fee Rs.3000 | JNTUH/Misc. Fee Rs.5500
IT: Tuition Fee Rs.90000 | NBA Fee Rs.3000 | JNTUH/Misc. Fee Rs.5500
EEE: Tuition Fee Rs.90000 | NBA Fee Rs.3000 | JNTUH/Misc. Fee Rs.5500
CSM (AI&ML): Tuition Fee Rs.90000 | NBA Fee Rs.- | JNTUH/Misc. Fee Rs.5500

2020 Batch

CSE: Tuition Fee Rs.90000 | NBA Fee Rs.3000 | JNTUH/Misc. Fee Rs.5500

ECE: Tuition Fee Rs.90000 | NBA Fee Rs.3000 | JNTUH/Misc. Fee Rs.5500

IT: Tuition Fee Rs.90000 | NBA Fee Rs.3000 | JNTUH/Misc. Fee Rs.5500

EEE: Tuition Fee Rs.90000 | NBA Fee Rs.3000 | JNTUH/Misc. Fee Rs.5500

CSM (AI&ML): Tuition Fee Rs.90000 | NBA Fee Rs.- | JNTUH/Misc. Fee Rs.5500

Note: These are the tuition/NBA/misc. fee components published on the college's own Fee Details page. Separate Hostel fees and Transportation fees (route-wise) are published on their own dedicated Admissions sub-pages (Hostel Admission and Transportation), which are referenced but not reproduced in numeric detail in the original document either -- see Section 6 for those page links. Fees are subject to revision each academic year; applicants should always confirm current-year figures directly with the Admissions Office (Dr. J. Manoj Kumar, 92471 64714).

14.11 Research Ethics Committee -- Functions

The Research Ethics Committee page (previously listed only as a missing topic) sets out the following functions: create awareness about funding opportunities from government, industry and international agencies; motivate faculty for quality publications and collaborative research; collect and maintain records on publications, patents, funded projects and consultancy work, and prepare periodic R&D reports; organize seminars, FDPs, workshops, hackathons and conferences on research and innovation; and align R&D activities with the institution's vision, mission and strategic goals.

15. Appendix — Supplementary Content from Illustrative Training Document (Unverified)

The subsections below (15.1–15.11) come from a separate document, 'BVRIT College Information Document', dated 1 July 2025, which its own cover notice describes as generated for a GenAI & Agentic AI Engineering course exercise and states: 'representative data modelled on typical engineering college structures in Telangana' and 'some figures, dates, and names are illustrative.' That document also gives a different campus location (Narsapur, Medak District) and a different domain (bvr.it.ac.in) than this knowledge base's verified source (Nizampet, Hyderabad; bvrithyderabad.edu.in), so it describes an illustrative/fictionalised version of the college rather than confirmed facts about BVRIT Hyderabad.

These sections cover topics that were structurally absent from the verified knowledge base above (detailed fee tables, scholarship schemes, placement statistics, hostel amenities, sports facilities, transport, medical/wellness services, student counselling and crisis resources, anti-ragging and grievance contacts, and named leadership/faculty). They are reproduced here for completeness at the user's request, but every name, phone number, email address, and figure below should be independently verified against the official BVRIT Hyderabad website or Admissions Office before being used in any real chatbot, publication, or decision-making.

15.1 Fee Structure (Illustrative Example Format)

Tuition Fees by Programme (illustrative, AY 2025–26 format):

B.Tech CSE: Annual Tuition Rs.1,20,000 | 4-Year Total Rs.4,80,000

B.Tech CSE (AI&ML): Annual Tuition Rs.1,35,000 | 4-Year Total Rs.5,40,000

B.Tech CSE (Data Science): Annual Tuition Rs.1,35,000 | 4-Year Total Rs.5,40,000

B.Tech ECE: Annual Tuition Rs.1,10,000 | 4-Year Total Rs.4,40,000

B.Tech EEE: Annual Tuition Rs.1,00,000 | 4-Year Total Rs.4,00,000

B.Tech Mechanical: Annual Tuition Rs.1,00,000 | 4-Year Total Rs.4,00,000

B.Tech IT: Annual Tuition Rs.1,10,000 | 4-Year Total Rs.4,40,000

Hostel Fees (illustrative): Room Rent Shared 3-seater Rs.60,000/year; Shared 2-seater Rs.75,000/year; Mess Charges Vegetarian Rs.48,000/year; Non-Vegetarian Rs.54,000/year.

Other Fees (illustrative): Transport (optional) Rs.45,000/year; Laboratory Fee Rs.15,000/year; Library & Digital Resources Rs.8,000/year; Examination Fee Rs.5,000/semester; Student Activity Fee Rs.3,000/year; Caution Deposit (refundable) Rs.10,000 one-time; Admission Processing Fee Rs.5,000 one-time.

Note: This numeric structure did not appear in the verified knowledge base and is reproduced from the illustrative document only as an example format; actual current fees are published on the college's own Fee Details page referenced in Section 14.10 above.

15.2 Merit Scholarships & Need-Based Concessions (Illustrative)

Merit-based (illustrative): Founder's Scholarship — EAMCET rank within top 1,000 — 100% tuition waiver, renewable if CGPA $\geq$ 8.5. Academic Excellence — rank 1,001–5,000 — 50% discount, renewable if CGPA $\geq$ 8.0. Merit Reward — rank 5,001–15,000 — 25% discount, renewable if CGPA $\geq$ 7.5. Sports Scholarship — national/state level achievement — 25% discount, renewable with active participation.

Need-based (illustrative): Economically Weaker Section — family income below Rs.8 lakh/year — 50% discount. SC/ST Scholarship — Telangana state SC/ST students — full tuition reimbursement via state govt. BC Fee Reimbursement — Telangana BC students, income below Rs.2 lakh — full tuition reimbursement via state govt. Sibling Discount — second sibling enrolled at BVRIT — 10% discount.

Note: No scholarship-scheme details were found in the verified knowledge base; the above is reproduced from the illustrative document and should be confirmed with the Admissions Office before use.

15.3 Admissions Important Dates (Illustrative Academic-Calendar Example)

TS EAMCET Exam: 15 May 2025

TS EAMCET Results Announced: 5 June 2025

TSCHE Web Counselling Round 1: 1–15 July 2025

TSCHE Web Counselling Round 2: 20–31 July 2025

Last Date for Round 2 Reporting: 5 August 2025

Management Quota Admission Deadline: 15 August 2025

Orientation Programme: 18 August 2025

Classes Commence: 19 August 2025

Mid-Semester Exam 1: 15–20 October 2025

End-Semester Exam (Odd Semester): 1–15 December 2025

Even Semester Classes Begin: 5 January 2026

Mid-Semester Exam 2: 15–20 March 2026

End-Semester Exam (Even Semester): 1–15 May 2026

Note: These are illustrative dates from the training document, not confirmed against the official academic calendar; see Section 8.875 (Academic Calendars) reference in the verified knowledge base for the real link.

15.4 Placement Statistics (Illustrative Example Format)

CSE: 228 eligible, 205 placed (89.9%), highest package Rs.24.0 LPA, average Rs.6.2 LPA

ECE: 165 eligible, 132 placed (80.0%), highest Rs.18.5 LPA, average Rs.5.1 LPA
EEE: 108 eligible, 78 placed (72.2%), highest Rs.12.0 LPA, average Rs.4.3 LPA
Mechanical: 52 eligible, 35 placed (67.3%), highest Rs.10.5 LPA, average Rs.4.0 LPA
IT: 168 eligible, 147 placed (87.5%), highest Rs.21.0 LPA, average Rs.5.8 LPA
CSE (AI&ML): 105 eligible, 89 placed (84.8%), highest Rs.22.0 LPA, average Rs.6.5 LPA
CSE (Data Science): 102 eligible, 85 placed (83.3%), highest Rs.20.0 LPA, average Rs.6.0 LPA
Note: The verified knowledge base's Placements sections (7.1–7.6) do not include this branch-wise numeric breakdown; the figures above are illustrative examples from the training document, not confirmed placement statistics.

15.5 Hostel Facilities — Amenities Detail (Illustrative)

Illustrative amenities list: 24/7 Wi-Fi (50 Mbps per hostel block); RO purified drinking water; hot water supply (6–8 AM, 6–8 PM); laundry service (outsourced, Rs.300/month); common rooms with TV and indoor games; 24-hour security with CCTV surveillance; mess serving three daily meals plus evening snacks with a rotating weekly menu and a student mess committee reviewing food quality monthly.

Note: The verified knowledge base's Hostel Admission section describes 4 hostel blocks with 150+ rooms and 500+ occupancy; the illustrative document instead describes 5 blocks (named Jasmine, Lotus, Orchid, Rose, Tulip) with 3,200 capacity. These are inconsistent, so the block count/names/capacity are not reproduced here — only the amenity-level detail that was genuinely absent from the verified source.

15.6 Sports & Recreation Facilities (Illustrative)

Indoor (illustrative): badminton courts (4), table tennis (6 tables), chess room, yoga hall, gymnasium. Outdoor: cricket ground, football field, basketball courts (2), volleyball courts (2), tennis court, 400m athletic track. Annual sports meet referred to as 'BVRIT Olympia' (February). Professional coaching mentioned for badminton, basketball, and athletics.

Note: The verified knowledge base's Sports Club section does not list court counts or an named annual meet; the above is illustrative and unverified.

15.7 Transport Details (Illustrative)

Illustrative detail: 35 college buses covering routes across Hyderabad, Secunderabad, Kukatpally, Miyapur, Ameerpet, Dilsukhnagar, and LB Nagar; departure 7:00 AM, return by 5:30 PM; annual transport fee Rs.45,000 (optional, waived for students using their own two-wheeler with valid licence and helmet); on-campus parking free.

Note: The verified knowledge base's Transportation section (Section 6) does not give route names, bus count, or timings numerically; the above is illustrative and unverified — confirm current routes/fees with the Transport Office.

15.8 Medical & Wellness (Illustrative)

Illustrative detail: full-time medical officer on campus (9 AM–5 PM, Monday–Saturday); 24/7 emergency medical support; nearest hospital cited as Apollo Hospitals, Jubilee Hills (45 km); an ambulance stationed on campus; group medical insurance (Rs.1 lakh coverage) included in the admission fee.

Note: No Medical & Wellness section exists in the verified knowledge base's Campus Facilities section (only Library, Food & Cafeteria, Gym, Temple, Security, PCS Facilities, Entry-Exit System are covered); the above is reproduced from the illustrative document and is entirely unverified against the official site.

15.9 Student Counselling Centre & Crisis Resources (Illustrative)

Illustrative detail: a Student Counselling Centre offering free, confidential support for academic stress, personal issues, and mental health concerns, with two full-time counsellors available Monday–Saturday, 9 AM–5 PM; appointments bookable in person or by email; walk-ins welcome.

The illustrative document also lists a 24-hour student helpline and external crisis resources (iCall, Vandrevalla Foundation Helpline, NIMHANS Helpline) with specific phone numbers. Those numbers are not reproduced here because they are unverified and it would be unsafe to publish unconfirmed crisis-helpline numbers; if this knowledge base will power a real chatbot, please source current, verified helpline numbers directly from the college's Student Affairs office before adding them.

Note: The verified knowledge base mentions only a resident counselling psychologist (Section 14.4, 'Counselling by Psychologist') without hours, booking process, or crisis-line information.

15.10 Anti-Ragging Committee & Grievance Redressal (Illustrative)

Illustrative detail: a zero-tolerance anti-ragging policy with a named Anti-Ragging Committee, complaints investigated within 48 hours, escalation to the UGC national helpline; a Grievance Redressal process via an online portal with a 7-working-day response commitment and a monthly committee review.

Note: The verified knowledge base confirms an Anti-Ragging Committee and Grievance Redressal mechanism exist (Section 14.1, Governance & Statutory Committees) but does not give contact emails, response-time commitments, or portal URLs — the specific email addresses and turnaround times above are from the illustrative document and are unverified.

15.11 Key Faculty & Leadership Roles (Illustrative — Names Not Verified)

The illustrative document names a Principal, Vice-Principal, Dean (Academics), Dean (Student Affairs), Training & Placement Officer, and a Head of Department for each of the seven programmes, each with a qualification and research area. These names conflict with (or simply are not confirmable against) the leadership and department-head names in this knowledge base's Management, Principal, and CSE/ECE/EEE/IT department sections above, so they are intentionally not reproduced here to avoid introducing incorrect personnel names into a real knowledge base. Please rely on the names already listed earlier in this document, or verify current office-holders directly with the college.

End of Appendix. All content in Section 15 above originates from the illustrative training document dated 1 July 2025 and requires independent verification before operational use.
